## FINDS FLIERS SLEW MAN IN SELF DEFENCE

Story of Baseball Player's  
Death in Airplane Related  
At Inquest

**PROFESSOR TESTIFIES  
KEONECKE INTOXICATED**

ISLINGTON, Ont., Sept. 20 (P).—A coroner's jury early today decided that William J. Mulquhenny and Irwin Davis, Detroit, Mich., acted in self-defence when they struck down Leonard Keonecke and caused the Brooklyn ball player's death in an airplane fight early last Tuesday.

After listening to evidence of the fliers, police officials and others, the jury, under Coroner Dr. Warren Snyder, required only twenty minutes to bring in its verdict. The verdict was brief and read: "We, the members of the jury, find the deceased came to his death on September 17 from injuries sustained from blows from a fire extinguisher in the hands of William J. Mulquhenny and Irwin Davis in self-defence."

**SOME DETAILS WITHHELD**  
Shortly before the jury retired, undisclosed details of events leading up to the fight in which Pilot William Joseph Mulquhenny and Irwin Davis, parachute jumper, engaged, were related privately to Keonecke's brother, Herman.

## ADOPTS PLAN TO AID DAIRYMEN

Scheme for Butter Export  
Stabilization to Strengthen  
Butterfat Prices

OTTAWA, Sept. 19 (P).—The Department of Agriculture today announced official approval of a scheme designed to aid Canadian dairymen and known as the "butter export stabilization scheme."

Purpose of the scheme, the department said in a communique, is to facilitate export of butter to the United Kingdom where "it appears a favorable market exists." This action is designed to relieve the butter market in Canada and strengthen the price of butterfat sold in milk and cream.

**LARGE STOCKS AVAILABLE**  
Statistics available indicate that stocks of Canadian butter in storage September 1, were \$500,000 pounds greater than the five-year average, while current production, larger than last year, threatens to increase further the surplus supply.

The new scheme provides for regulation of marketing of butter for export. Agencies may be designated through which butter will be marketed and in necessary cases exporters may be compensated for any loss they may suffer through export transactions.

## REPORTS ON FISHING BY CARRIER PIGEON

HIGH RIVER, Alta., Sept. 19 (P).—Dave Blacklock, Turner Valley sportsman, has a "pigeon-telegram" system to tell the "boys" when fishing is good. Dave acts as advance guard, scouting the trout streams. He takes along one of his carrier pigeons, and if conditions are good, sends a message back to town, reading: "Fishing fine; come on."

## Victorian Defeats Canadian Leader In Exciting Match

Marjorie Todd Registers Great Victory Over Ada MacKenzie in Dominion Tournament at Colwood at Nineteenth—Mrs. Ford Wins

A HUSKY Victoria girl, noted for her booming drives and brassies, who crashed the golfing limelight at the age of fourteen by winning her first city title, provided the fireworks at the Canadian women's closed championship, yesterday, at the Royal Colwood Club, when she went to the nineteenth hole to push Ada MacKenzie, famous Toronto shot-maker, and holder of the Dominion open crown, out of the title hunt.

Marjorie Todd, Oak Bay Club, achieved that trick in the third round played in the afternoon before the largest gallery of the week. In putting Miss MacKenzie into the gallery from now on, Miss Todd gave a great exhibition of golf, and when she canned her ten-footer at the first extra hole for a par, which decided the battle, the crowd cheered and clapped for the popular local triumph.

## Crashes After Setting Airplane Record

A scant few seconds after he officially set a new record for land planes with an average speed of 347.29 miles per hour at Irvine Ranch, near Santa Ana, Cal., Howard Hughes, millionaire film producer and speed flier, recently crashed his plane to the ground when fuel lines clogged. Although shaken badly, Hughes was unhurt.

## MEDICAL LEADERS OPPOSED TO B.C. HEALTH INSURANCE PLAN

Happy Toronto Visitor Says He Owe  
Tourist Association \$25

"THIS is what I owe the Tourist Trade Development Association," said F. H. Russell, Toronto manufacturer, as he dropped into the association office yesterday and laid a certified cheque for \$25 on the table.

Mr. Russell explained that he had been a regular Summer visitor to Victoria for the past four years. This year he had attended and enjoyed the entire series of thirty-seven concerts on the Show Boat in the Inner Harbor, and was gratified to see that the city was making efforts to entertain visitors.

He declared that he enjoyed the natural, unspoiled beauty of Victoria and vicinity and usually figured on spending nearly \$3,000 on his Summer vacation here.

## Cocktail College Term Interrupted By Oregon Police

Insistence of Students Quaffing Newly-Learned  
Creations at Art School of Mixology Leads  
"Professors" Into Trouble—Students Allowed to Depart Unescorted by Police

PORTLAND, Ore., Sept. 19 (P).—The first Fall term of "Cocktail College" ended today, signaling the hurried departure of several students for parts unknown and the less speedy if more formal exit of five alleged instructors.

"Cocktail College," so-called on circulars which also alluded to the institution as the "art school of mixology," began its enrollment Tuesday. Students were advised that only ladies and gentlemen were permitted to register and were asked 25 cents for each course.

The "courses" consisted of instructions in methods of preparing drinks. And, so it was charged by state liquor officers, some students were not satisfied with mere lessons but insisted on quaffing their newly-learned creations—in violation of Oregon's liquor law, which prohibits the sale of mixed drinks.

**FIVE MEN ARRESTED**  
As a consequence, at the proper cocktail hour of 5 p.m. today, state "truant" officers descended on the school and took to jail the following:

Barney Periman, H. C. Jenkins, Frank Lattanzi, Tony Simpson and George Routh. Periman's bail was set at \$1,000; others at \$500.

Several co-eds and one young chap who said he had come to the school from Seattle just to enroll were permitted to depart unescorted by officers.

## RESCUE PARTY ON WAY TO LOST MAN

Aviator Takes Guide Over Country  
To Decide on Best Route for Searchers

KELOWNA, Sept. 19 (P).—A rescue party, headed by Mickey Derckson, Indian guide, was expected to return to its camp at Greystoke Dash early tomorrow with Cecil Bond, of Rutland, B.C., who has been missing since Sunday when he became separated from a hunting party.

Flying over the wild Greystoke Plateau, forty-five miles northeast of here, yesterday, Pilot "Ginger" Cooke succeeded in locating Bond, and later dropped supplies and a note advising him to remain there until a search party could reach him.

Returning to Kelowna after locating Bond, Pilot Cooke then flew Derckson over the country to enable him to decide on the best way of going in on foot to make the rescue.

Proposed Provincial Scheme  
Attacked by Doctors at  
Annual Banquet

NATIONAL STUDY OF  
SITUATION IS URGED

VANCOUVER, Sept. 19 (P).—Presidents of British Columbia, Canadian and American Medical Associations voiced their opposition to health insurance as at present proposed, in addressing tonight the annual banquet of the British Columbia Medical Association. Nearly 200 doctors were present.

"Stand together, shoulder to shoulder, man to man, and defend our rights," said Dr. J. C. Meakins, Montreal, president of the Canadian Medical Association, who said his organization represented 28 per cent of the medical men in Canada.

**RUTHLESS PARAPHRASING**  
"We are attacked by a common front of political enmity," Dr. Meakins declared. "The game of politics consists of ruthless paraphrasing and taking advantage of other men. We are the last bulwark of society to go down. Now they are trying to pick us off and make us serve their selfish financial ends."

## CANADA IS HER OWN MISTRESS

Prime Minister Says Dominion  
Now in Control of  
Own Destiny

CALGARY, Sept. 19 (P).—Differing views on the obligations of the Dominion within the Empire were voiced here today by two distinguished Easterners, Prime Minister Bennett and Rev. Dr. J. A. Richardson, Archbishop of Fredericton. They were guests at a Service Club luncheon and delivered brief addresses.

Dr. Richardson deprecated the tendency of many Canadians to leave the burden of Empire defence on the "Motherland." "During the war," he said, "Canada stood on the platform of responsibility. Now we are in danger of standing on the platform of privilege." Democratic imperialism at its best was founded upon patriotism.

The bishop's viewpoint was that commonly held twenty-five years ago, the Prime Minister observed. The Motherland was still powerful and vigorous but was "no longer the directive machine of our national life." Canada was in full control of its destiny, operating as a self-governing nation not responsible to Westminster.

## Stand by Canada —Vote Bennett

Saturday, September 21, 8 P.M., at the  
Royal Victoria Theatre

Rt. Hon.

**R. B. BENNETT**

Doors open at 7 p.m. This meeting will be broadcast over Radio Station CFCT.

**D. B. PLUNKETT**

Conservative Candidate.

## Hope for Peace Fades as Plans For War Go On

Geneva Pessimistic as Mus-  
solini Studies League Set-  
tlement Proposals

LLOYD GEORGE SEES  
CONFLICT IN WEEK

GENEVA, Sept. 19 (P).—A lull fell today on the negotiations at Geneva for peace between Italy and Ethiopia.

The League of Nations' five-power committee met this afternoon. Chairman Salvador de Madariaga, of Spain, reported that the peace terms drawn up by the committee had been submitted both to Italy and Ethiopia. Replies were now awaited.

But the atmosphere was far from optimistic. The rumor that Baron Pompeo Aloisi, heading the Italian delegation, would personally take the terms to Rome for perusal by Benito Mussolini created a ray of hope that Italy would reconsider her attitude. But Aloisi was not aboard the afternoon train for Rome.

**TELEPHONED ROME**

De Madariaga said Aloisi had held many telephone conversations with Mussolini since yesterday. He told the committee he believed Ethiopia would accept the plan. But he added he did not know what Italy will do.

Continued on Page 2, Column 1

## PREMIER IS NOMINATED

Bennett Urges Electors to  
Vote for Canada Not for  
Local Interests

CALGARY, Sept. 19 (P).—A vote in the general election was a vote for Canada, not for the interests of one province alone, and provincial issues should not enter into the electors' choice, Prime Minister Bennett today told the Conservative convention, which unanimously selected him as candidate for Calgary West in the forthcoming election.

"There are some things the Province can deal with," Mr. Bennett said. "Democracy has spoken in this province, and the people got the Government they wanted. All right, give that Government a chance. If the people are not satisfied, they can turn it out."

**WHOLE DOMINION AFFECTED**  
"I want you to remember, when you ask people to vote in this election, that their vote is not for Alberta, not for Social Credit, but a vote affecting the life of every citizen in every province of Canada."

Continued on Page 5, Column 7

## Ottawa Valley Is Lashed by Storm

OTTAWA, Sept. 19 (P).—Leaving its path wrecked farm buildings and shade trees in tangled masses, one of the worst storms experienced in the Upper Ottawa Valley in many years today swept down the Quebec side of the Ottawa River.

Heavy damage was reported over an area extending from Portage du Fort to Quoyon and northeast by Magham and Wakefield.

Telephone communication was cut off in several areas.

## British Troops Off to Malta

A Detachment of the Royal Artillery Boarding the Troopship Neustria at Southampton, England, Bound for Malta to Reinforce the Garrison of the Island Naval Base.

## Finds Gas Drums Of Missing Boat Cast Up on Shore

Provincial Police Radio Reports Finding of Four  
Barrels on Shoreline of Millbank Sound—  
Report Says They Have Been Identified  
as Belonging to South Seaman

FOUR gasoline drums, identified as having belonged to the Vancouver fish packer South Seaman, Captain Gerald B. Hamilton, missing since September 13, were picked up along the shoreline in Millbank Sound, by Provincial Police Boat PNO 9, yesterday afternoon, according to word received here by police radio.

## CANADA'S CROP WILL BE SOLD

Prime Minister Sees Market  
For Dominion's Grain  
Stores

CALGARY, Sept. 19 (P).—Belief that the accumulation of wheat arising from the Government's stabilization efforts would be required by the nations of the world, and the declaration that no money had been lost in the operation, was voiced here tonight by Prime Minister Bennett.

Falling crops in Argentina and Australia, and world conditions in general, gave reason to think all the wheat would be needed.

"In the face of the most vicious opposition and criticism from vested interests abroad, some members of the Winnipeg Grain Exchange, the Winnipeg Free Press, and the Liberal party in general, we stuck to our policy," Mr. Bennett said. "And we see now some vindication of the confidence we had that we were doing right."

Mr. Bennett expressed the hope that the forthcoming conversion loan would bear interest coupons at a rate as low as 2 1/2 per cent.

He leaves tomorrow for Vancouver and Victoria.

## Relief Parader Declared Guilty

VANCOUVER, Sept. 19 (P).—Richard Rothery, twenty, was found guilty today with a recommendation for mercy today in Assize Court of malicious and wilful damage to a showcase in the Granville Street store of the Hudson's Bay Company on April 22.

It was Rothery's second trial, the jury having disagreed in the first. The present jury required nearly three hours to reach a verdict. He was remanded for sentence by Mr. Justice Murphy.

## EVANGELIST REVEALS HE WAS KILLER

Rev. Ben Smith Admits  
Identity as Escaped Con-  
vict in Missouri

GOVERNOR PERMITS  
HIM HIS LIBERTY

JEFFERSON CITY, Mo., Sept. 19 (P).—Evangelist Benjamin F. Smith today solved the mysterious Missouri Penitentiary escape, fifteen years ago, of Frank Davis, convicted murderer.

Appearing before Governor Guy B. Park, the forty-eight-year-old Gospel preacher disclosed he was the young Newton County miner who was given a thirty-year sentence for killing a man at a country dance hall fight.

His life story unfolded, Park paroled the evangelist with the comment: "I found he has had a very good reputation."

**WAS TRUSTY**

It was one bleak evening on December 3, 1920, when Convict Davis, who had been made a trusty, was sent to a local bakery. He slipped away, unnoticed.

And as the search for Davis by Missouri officials appeared hopeless, Benjamin F. Smith—an unknown preacher—became interested in evangelistic work, but represented no denomination.

## MAN HOLDS UP SEATTLE BANK

Escapes With \$3,000 in Car  
Believed to Have Been  
Driven by Woman

SEATTLE, Sept. 19 (P).—Police tonight lacked a single clue to the identity of the gunman who held up and robbed the Broadway branch of the First National Bank of \$3,062 today.

An automobile without license plates, driven by a woman or a man disguised as a woman, carried the gunman safely away from the scene of the robbery before police squad cars could reach the scene.

With a shotgun concealed beneath his overcoat, the robber hurried into the bank at 2:18 p.m. He stopped at the first cage and put the gun down on the counter. Its muzzle pointed towards L. G. Hutton, assistant cashier.

**HAS BAG FOR LOOT**

He handed Hutton a note, but before the cashier could read the message, took it back and handed Hutton a paper shopping bag with the command, "Pass it out—put it in it."

Hutton put one package of currency into the bag, but the bandit, not satisfied, prodded him with the muzzle of his gun and repeated "Pass it out—pass it out."

With his foot on the burglar alarm the cashier stuffed all the money in the case into the bag and the bandit fled with it.

## MAKE ANOTHER HOP

HARBIN, Manchukuo, Sept. 19 (P).—Harold L. Parquhar, the flying British diplomat from Mexico City, and his German companion and pilot, Fritz Bleier, landed their plane on the Sungari River today after an easy flight from Khabarovsk.

## Baby Survives When Parents Are Killed In Automobile Crash

Small Child Found Living Beside Bodies—of  
Father and Mother Four Days After Car  
Plunges Down Embankment

MACLEOD, Alta., Sept. 19 (P).—Hardy little fourteen-month-old William Long, found in a gully near here today beside the bodies of his father and mother after four days and five nights' exposure to the raw cold of September, slept soundly in hospital here tonight, and doctors said he would recover.

The bodies of Mr. and Mrs. T. M. Long, MacLeod district residents, missing with their son, William, since last Sunday, were found on the bank of the Belley River, four miles southeast of here. The baby was unconscious near his mother.

Harry Long, father of the dead man, started a search when he went to his son's farm Wednesday and found the stock had not been fed. The bodies were discovered on the slope of a 100-foot embankment, apparently thrown clear when their automobile left the road. The car

was at the bottom of the incline, upside down.

The mother was killed almost instantly, and the father suffered fatal injuries, but the child was uninjured as the car hurtled off the highway. Marks on the bank—deep holes dug by hand and uprooted plants—told of a desperate struggle by Long to reach the crest of the incline to signal passersby for assistance.

Investigators said he might have lived for two days in an unconscious condition unable to assist the baby that cried below.

## Hope for Peace Fades as Plans For War Go On

Continued From Page 1

The Havas Agency, in an Addis Ababa dispatch, said it had learned reliably that Ethiopia would accept the committee's plan.

Delegates considered it significant that Aloisi had not rejected outright the committee's suggestions when he received the text. Instead, he conferred frequently with Mussolini.

Rumors that Premier Laval of France would go with the Italian delegate to Rome to make a final appeal to Duce apparently came to naught when Laval announced he was planning to go to Paris tomorrow night.

GIBRALTAR PREPARING

LONDON, Sept. 19 (AP)—A "powder keg" situation in the Mediterranean, becoming rapidly more dangerous because of Italian and British naval developments, was reported tonight by foreign military observers.

There is purpose, they declared, behind the mobilization of the best ships, airplanes and troops of both countries within the Mediterranean and at its entrances.

Reuters' News Agency reported that an official defence proclamation at Gibraltar advised the public to lay in a supply of candles because, "in the event of certain emergencies it may prove necessary to extinguish all lights throughout Gibraltar."

The Cunard-White Star Line denied reports that the liner *Queen Mary* had been ordered to proceed to the nearest port in the Mediterranean and discharge her passengers. Officials said the ship was proceeding on her normal course, that her next stop would be Gibraltar, and that she would arrive at Southampton September 25.

SEES WAR SOON

BRADFORD, Eng., Sept. 19 (AP)—David Lloyd George, declaring the world is "within a week or a fortnight of war," said today only drastic action can save the situation.

The Great War Prime Minister, referring to various methods the League of Nations might invoke to prevent war, ranging from the breaking off of diplomatic relations to the use of arms, said: "It is now too late to talk about mild sanctions."

"Ethiopia's appeal to the League has been made in January," he continued. "The Italian leader never concealed his intention in February. He started mobilization and declared clearly what was in his mind."

"Why was not the League called together as soon as it became clear Mussolini meant to secure control of the whole of that vast territory in Africa? While the dispute was dragging on, Mussolini has raised and equipped a huge army, and laid up stores which would enable him to carry on a war, not for months but for years."

REVISING WAR CODE

ROME, Sept. 19 (AP)—Premier Mussolini set up tonight a commission designed to bring about "a formulation of legal measures."

## NO STAND YET ON B.C. WINES

Temperance League Asks Government to Reopen Issue if Poll Held

Decision of the Provincial Government in response to the Victoria petition of the Moderation League for introduction of beer and light wines in public dining places had not yet been reached, and that issue remains to be discussed by the Cabinet, Attorney-General Sloan said today.

Decision of the local branch of the B.C. Temperance League yesterday. Rev. R. J. McIntyre, of Vancouver, secretary of the Temperance League, and Rev. W. R. Brown, chairman of the local branch of the league, waited on the Attorney-General in the afternoon, securing an hour's interview with the official head of British Columbia law-enforcement staffs.

Mr. McIntyre explained later that the delegation had asked if the Government opened up the question of liquor control by a plebiscite on beer and wines, that the whole question of liquor control be thrown open and larger issues discussed.

Mr. McIntyre added that the delegation did not phrase what precise questions it would like put to a vote. If one is held, being advised that the beer and wines petition had not yet been considered by the Province.

Speaking on behalf of the Government, Mr. Sloan advised the delegation their views would receive attention when the matter came under Cabinet review. At present, he said, no action had been taken in the matter.

The "socialization" of liquor manufacture was not mentioned, it was indicated, though earlier reports had suggested the delegation might advance proposals along that line.

FOOT EXPERT AT KINSMEN DINNER

Development of Footwear Is Outlined—Presentation Made to Past President

"Footwear, Past and Future," was the topic of an address given by C. W. Lampkin, of Toronto, foot expert, who was formerly on the educational staff of the American School of Podiatry, at the weekly dinner meeting of the Kinmen Club in the Empress Hotel last night.

One of the interesting phases of his talk was that dealing with the possibility of warfare between Italy and Ethiopia. He explained the foot structure of Latin races and compared it with that of the bare-footed Ethiopian soldiers.

During the course of his address he traced the history of footwear development from the sandal period in Egypt in 4000 B.C., to the adoption of right and left shoes by European countries in 1856.

Mr. Lampkin then touched upon the modern development in footwear, showing how the structure had been modified to give proper body balance and posture, and concluding his remarks by recommending walking as the best all-round exercise for the maintenance of good health.

The question of entering two teams in the Service Club's Bowling League also was discussed, and action deferred to a later meeting. It was decided to have the Gyro baseball team as guests at the next dinner of the Kinmen Club.

Dr. Arthur Boyatz, past national president of Kinmen, was presented with a gold pin in recognition of his services during his term of office.

## Crippled Sloop Limps Into Port

CRESCENT CITY, Cal., Sept. 19 (AP)—

The sloop *Amalia*, for which a twenty-four-hour search had been conducted by coast guard boats after she was reported in distress last night fifteen miles from here, slipped into Crescent City harbor tonight under her own power.

The sloop drifted nearly seventy-five miles to the south after notifying the Coast Guard, and was discovered yesterday afternoon that she was in distress. Off Trinidad, the crew succeeded in making temporary repairs.

Mr. Scott, in a brief address to the council, stated that the use of tar was cheap, admittedly, but was not lasting. However, use of the asphalt would be, and accordingly would show an ultimate saving to the municipality.

Cost of the tar used at present, treated with gravel, was slightly more than \$2 per yard, the council before the Saanich council last night.

Mr. Scott, in a brief address to the council, stated that the use of tar was cheap, admittedly, but was not lasting. However, use of the asphalt would be, and accordingly would show an ultimate saving to the municipality.

Cost of the tar used at present, treated with gravel, was slightly more than \$2 per yard, the council before the Saanich council last night.

## ROAD FILLER OF ASPHALT URGED

L. G. Scott Tells Saanich Council

Use of mixed asphalt, rather than tar for road fillings, was advocated by Leslie G. Scott, president of the Ward Three Ratepayers' Association, before the Saanich council last night.

Mr. Scott, in a brief address to the council, stated that the use of tar was cheap, admittedly, but was not lasting. However, use of the asphalt would be, and accordingly would show an ultimate saving to the municipality.

Cost of the tar used at present, treated with gravel, was slightly more than \$2 per yard, the council before the Saanich council last night.

## Two Women Are Injured On Schooner

PLYMOUTH, England, Sept. 19 (AP)—Further details of the violent storm which battered the Nova Scotia schooner *Bluenose* last week were told today.

She had ten passengers aboard at the time, including five women. Two of the women were injured. Miss M. A. Aubrey, of Cowes, was knocked unconscious for several hours when the racing and fishing schooner gave a sudden lurch. Mrs. Hamilton, Cox, wife of an Indian army officer, received an injury to one eye.

Referring to anti-Jewish laws proclaimed by the Reichstag Sunday, the message said:

"Anti-Jewish legislation in the third Reich represents a regression of medieval policy with regard to Jews, and creates in the heart of the European of the twentieth century a new ghetto for the purpose of oppressing and dishonoring the Jewish people."

## Municipalities of British Columbia In Difficult Times

Civic Budgets Narrowly Held to Balance With Combined Deficit of Less Than \$2,000,000 During 1934—Tax Lands and Arrears Up

SEVENTY-EIGHT cities, towns and villages in British Columbia collected \$27,236,572 in total receipts last year, and spent \$29,039,709. They ended the year with \$12,585,898 owing in uncollected taxes, with \$7,648,656 of a shortage in combined sinking funds, and in possession of tax sale lands worth \$11,030,377. Exclusive of relief loans, Government assistance during the year was \$1,727,448, while social service charges remained unchanged.

The foregoing were the highlights of their duties in such an efficient and economical manner. "The situation with respect to the ability of the property-owners to meet taxation is unchanged, and if at all possible there should be some lightening of the burden at present carried by land. Tax sales, owing to the heavy land taxes, attract very few purchasers, the bulk of the property falling to the municipalities. Money by-laws during the year were nominal, and borrowings for relief were less by \$185,000."

COMPLIMENT PAID "I feel that the appreciation of this department should be extended to municipal councils and officials who have in these trying times car-

ture debt is deductible \$30,804,939 held in sinking funds, which were short, however, of the \$37,870,775 required.

VALUED AT \$772,000,000 Total property in municipal areas was assessed at \$772,196,469, of which \$146,434,234 was tax-exempt, \$268,996,902 was taxable land, and \$356,765,333 was taxable improvements. The population remained unchanged at 1,192,859. Estimated tax levies in various centres were virtually unchanged.

Arrears of taxes rose from \$11,105,497 in 1933 to \$12,585,898 in 1934. At the year's end, municipalities held \$11,030,377 worth of tax sale lands, of which \$7,648,656 was in cities, \$3,141,516 in districts and \$2,131 in villages.

Actual taxes levied for 1934 totaled \$19,208,377, of which cities imposed \$16,301,039 and districts \$2,967,338.

Receipts of \$27,236,572 were made up of \$17,830,461 drawn in taxation from land, \$3,845,214 from public utilities, and \$5,560,900 from other sources. \$1,281,447 for school grants in the partial school year, and \$456,001 from Provincial motor vehicle licences.

GRANTS LESS Liquor profits, racing receipts and some previous forms of Provincial disbursements were absent during 1934, while social service charges were deducted from Government disbursements to the municipalities, as before.

Expenditures of \$29,039,709 were made up chiefly of \$6,528,813 for education and school debt, \$4,000,019 on account of general debenture debt, \$3,565,199 on public utilities debt, \$2,350,988 for sinking funds and debt redemption, \$1,502,212 for roads and streets, \$1,030,512 for fire protection, \$1,206,454 for the administration of justice and policing, and \$5,650,436 on sundry, "unitemized" accounts.

VICTORIA HAD SURPLUS Victoria occupied an exceptional position in the municipal picture in that it ended the year with a surplus of \$50,567 in its sinking funds above legal requirements, but reported \$520,193 in tax arrears on the other side of the ledger. Its tax rate remained unchanged at forty-one mills, in the face of steady

## Tipo Is Expert Fisherman

Above is pictured Tipo, the intelligent fisher dog belonging to T. M. Jackson, Fulford Harbor, Salt Spring Island. Tipo is just as wise as he looks. He has gained a widespread reputation as a result of his self-taught system of fishing, particularly for perch. He watches for the fish in the shallows, dives down for them and rarely lets the "big one" get away. Not only does this intelligent dog catch fish, but he distinguishes between edible and non-edible ones, taking the former to his master.

efforts at reduction in assessment on taxable properties.

Complied with the usual attention for detail, the annual report of the Department of Municipal Affairs will now be available for civic officials. Due to the death of Robert Baird, who organized the service and for twenty-one years was its respected head, the report is being issued a little later in the year than customary. In all other respects it is a faithful preservation of the form used by Mr. Baird with success for so many years.

## FESTIVAL DATES ARE ANNOUNCED

Upper-Island Musical Organization to Hold Contest, April 22 to 25

NANAIMO, Sept. 19.—The Upper-Island Musical Festival for 1936 will be held on April 22 to 25, and Harold Gregson will act as adjudicator, according to the results of an executive meeting held yesterday.

Mr. Gregson is organist and choirmaster at Trinity Church, Santa Barbara, California. He was formerly exhibitor of the Royal College of Music, London, solo organist of Crystal Palace, London, late director of the Emma Willard Conservatory of Music, Troy, N.Y., and acted as judge of at least thirty vocal and instrumental musical festivals held in New Zealand.

Three classes have been thrown open for competition in British Columbia. These are male choir, class 15; service club choir, class 16, and the professional elocution section. Contestants in the rural and city school of elocution classes must have had no previous professional training.

New departures will include classes for madrigal singers, small voice ensembles, rhythm and percussion bands, instrumental ensembles with piano, camp-fire song groups, Welsh folk songs, verse-speaking classes, oratorio soloists and light opera choruses. The Rice Bowl competition will be open to all winners of open classes of previous festivals.

## LOGGER IS INJURED

CAMPBELL RIVER, Sept. 19.—Thomas MacFarlane, employed as chokerman at the Elk River Timber Company, was hit on the head by flying debris or a line and was taken to the local hospital for treatment of head injuries. He is doing well.

## Experts Ready to Prepare Your Car For Winter Driving

Another Summer of fun and vacation lies behind us. We face the fact that Fall has crept on us and before we know where we are we will be in the middle of Winter. Now is the time to check over your car for Winter driving. While we are fortunate in a climate which boasts few extremes, yet it is a proven fact that Winter imposes a far greater strain on a car than the Summer months. Colder weather demands a dependable battery, for oil is stiff and heavy in starting. Tops must be sound and weather proof in preparation for the pelting rains, slippery or icy roads are a hazard not to be ignored for those who have poor brakes. For reliable, economical operation the engine must be tuned to perfection. Radiators must be checked before putting in anti-freeze.

There are a hundred and more points the careful driver must look to with the change of the season. Where to go for expert service at reasonable prices is the question which must arise. The Colonist Classified Advertisements form a reliable guide. Here, listed under section 65, are the names of specialists, who, through training and equipment, are ready to serve you with real satisfaction.

## PIONEER NURSE OF CITY DIES

Miss M. Macnamara, First Night Supervisor of St. Joseph's, Passes Away

Miss Mary Macnamara, a pioneer nurse of the city, who was also the first night supervisor at St. Joseph's Hospital when it was housed in the small building on Colliem Street, passed away at St. Joseph's yesterday morning at an early hour.

A woman of wide sympathies and philanthropic activities, Miss Macnamara leaves a wide circle of friends to mourn her passing. Although it is some time since she actively engaged in nursing, her room at St. Joseph's was the centre of comfort and cheer to all who came to her with their varied need, and her kindness reached out to a large circle.

Her experience in hospital management, too, was invaluable to the present-day sisters, while the younger nurses derived much encouragement from her interest. She was born in Ireland seventy-seven years ago. Her hospital training was taken at Edinburgh, Scotland, and she had experience in nursing in England before she came to Victoria with her mother. When her mother died, she went to San Francisco, and there became superintendent of St. Winifred's Hospital and Training School for Nurses. Later she staffed and supervised the California General Hospital, and still later was superintendent of McNutt Hospital (now Trinity Hospital).

## DRAMATIC EXPERIENCE

One of her most dramatic experiences was living through the San Francisco earthquake of 1907, her efforts to help the sufferers at that time resulting in serious injuries to her own health, which necessitated her return to Victoria. She had been here practically ever since.

Her last appointment was when the new maternity wing was opened and she was given charge of the nursery until organization of the department was complete. However, she continued as a resident at the hospital, to help in all departments with her advice and active assistance, and gave much valuable help to the various volunteer organizations such as the auxiliaries, Cathedral, where Requiem Mass was held and promoted the beauty of the hospital grounds by her expert interest in gardening.

The remains are resting in Hayward's B.C. Funeral Chapel and the funeral will be held tomorrow, the cortege leaving the chapel at 9:15 a.m. and proceeding to St. Andrew's records.

## ST. DUNSTAN'S RECTOR HEARD

Rev. A. T. B. West, of London, Tells of Church Work in District

As long as the British Empire stands for equity, justice, sanctity of contract and fair play for the underdog, Almighty God will never allow the Empire to fall down, Rev. A. T. B. West told members of the Rotary Club at the Empress Hotel yesterday. Mr. West is rector of St. Dunstan's Church, London, and is visiting the Island in connection with the Fairbridge Farms Scheme. Mr. West maintained that the church's business was to be where the people were. It should be remembered that it stood for the personification of righteousness seven days a week. Many of the world's beautiful churches, he said, were in ruins in stone, teaching day and night.

## ON DRUIDICAL SITE

St. Dunstan's Church, he told Rotarians, stood on ground set aside as sacred by Druids in 3,000 B.C. About 1246 the church established a grammar school, which in 1448 ranked as one of the best in London. For many years the parish had spent thousands of pounds on pensions, workhouses, doles and almshouses for the needy, but now the money was being spent on education so that the rising generation would be able to support themselves without assistance.

## SHOW BOAT TO BE LAID IN STORAGE

Work started yesterday on dismantling the popular Tourist Trade Development Association Show Boat in the Inner Harbor. Harold B. Bzworthy, manager of the Island Tug & Barge Company, announced that the superstructure would be stored free by his company until next Summer. Rental of the scow will also be remitted for September, owing to several concerns having been canceled on account of inclement weather.

## FINDS FLYERS SLEW MAN

Continued From Page 1

When a policeman, in early evidence, related the flyers' story that Koenekne "tried to kill Davis," Crown Attorney Frank Moore cut him short and said there was no need to bring out certain phases of the inquiry. In Davis' own recital of the tragic flight, he was told to omit certain parts of his evidence.

## TELLS OF STRUGGLE

Both flyers, charged with manslaughter, related the story they had previously related to police of the struggle in the cabin of their plane when Koenekne became unmanageable and was struck a number of times over the head with a fire extinguisher.

Professor Joseph Rogers, chemical analyst of the University of Toronto, testified there were traces of alcohol in Koenekne's organs and that "if there was any tendency at all for a man to be violent or quarrelsome," Koenekne was in "excellent condition for it to break out."

**Tested ON THE TRACK FOR SAFETY ON THE ROAD**

SAFE at any speed . . . that's your assurance with Firestone High Speed Tires. For 15 consecutive years Firestones have been on the winning cars at the Indianapolis Speedway . . . the world's greatest tire proving ground.

It takes the extra quality and extra construction features in Firestone Tires to make these records. Race drivers will not risk their lives and victory on any other tires. They know that only in Firestone can they get all those extra features that mean extra strength, extra stamina and extra safety.

You, too, need the extra protection of Firestone Tires . . . as well as the 50% more non-skid mileage at no extra cost and the guarantee for one year against blow-outs, cuts, bruises and all other road hazards except punctures. Replace worn tires—see the nearest Firestone Dealer today.

## Educationists of Note Arrive From Britain Tomorrow

National Council of Education, Celebrating Twenty-Fifth Anniversary, Sponsors Canadian Tour of Distinguished Scholars Speaking in City

VICTORIA will tomorrow be host, for three days, to the largest group of British guests that has ever visited Canada under the auspices of the National Council of Education. Twelve in number, the party, entirely composed of distinguished educationists, will be heard at a number of the city churches on Sunday, and on Monday will supply speakers for several special meetings. They will also be entertained with drives, luncheons, afternoon teas and dinners, in the course of which they will see something of the city and its home life.

Arriving by boat from Vancouver at 3:15 p.m. tomorrow, the visitors will be met by their respective hosts or hostesses and accompanied to their billets. No collective entertainment has been arranged for the afternoon, but at 7 o'clock in the evening the Department of Education is giving a dinner in their honor at the Empress Hotel, at which Hon. Dr. G. M. Weir, Minister of Education and Provincial Secretary, will preside. The dinner will be followed by a conference on education, when it is probable that two of the visitors will speak.

**SUNDAY PROGRAMME**  
Sunday morning has been left entirely free of engagements, so that the guests can enjoy the time as they please. At 2:30 in the afternoon, however, a drive has been arranged to Butchart's Gardens, and the visitors will be the guests of Mr. and Mrs. R. P. Butchart at tea at "Benvenuto."

The return to the city will be made in time for dinner and attendance at church, and the following members of the party will occupy pulpits for the evening services.  
St. John's: F. H. Toyne will speak at 7:30 on "Growth of Social Services and Children's Care."  
Victoria City Temple: W. D. Cousins will speak at 7:30 on "Transformation of Denmark Through Education."  
First United Church: D. D. Anderson will speak at 8:30 on "Training to Be a Great Teacher."  
Christ Church Cathedral: E. Salter Davies, at 8:30, "Education for Leisure."  
Metropolitan United Church: G. T. Hankin, at 8:30, "Films in National Life."

**MONDAY PROGRAMME**  
Monday holds a really heavy programme. At 9 o'clock in the morning the educationists will visit Victoria High School to see the students assemble. At 10:15 they will visit the Legislative Buildings, the Provincial Archives and the Museum; at 12 noon they will be guests of the Canadian Club at luncheon, when one of the visitors, W. A. F. Hepburn, will speak on "Scotland and Her Problems."  
The afternoon and evening are also filled with activities. At 2:30 J. A. Peart will address a special meeting of the Women's Canadian Club on "Winchester and its Cathedral," with lantern-slide illustrations. At 4:15, the Victoria and District Teachers' Association is giving a tea-reception at the Empress Hotel, when it is hoped that one or two of the visiting educationists may give a brief address. The public meeting always sponsored on these occasions by the local branch of the National Council of Education will take place at the

## British Educationists Tour Canada

ABOVE is a photograph of the twelve British directors of Education due to arrive here tomorrow afternoon, to spend the week-end in Victoria after touring the Dominion. Several of them will speak in city churches on Sunday evening, and others will address some of the city clubs on Monday.

The visitors arrived at Quebec on the Canadian Pacific liner, Empress of Australia, on September 4.

Left to right, in the picture, are: T. J. Rees, director of education for Swansea; Captain Arthur Rodwell, commander of the Empress of Australia; F. H. Toyne, education officer for Brighton; W. A. Brooking, C.B.E., director of education for Leicestershire; J. A. Peart, director of education for Winchester; Dr. J. E. Smart, director of education for Acton; London; Thomas B. Tilley, director of education for Durham; W. A. F. Hepburn, M.C., director of education for Ayrshire; G. T. Hankin, staff inspector, Board of Education; E. Salter Davies, C.B.E., director of education for Kent; D. D. Anderson, M.C., inspector of schools, Scottish Department of Education; E. M. Rich, education officer for London; and Major Fred J. Ney, M.C., vice-president and honorary organizer, Overseas Education League, Winnipeg.

## No Curfew for Saanich Dogs Is Council Decision

"CURFEW shall not ring tonight."

If Saanich dogs could talk, this is what they would be saying today, following action of the Saanich Council last night in shelving a proposal of Councillor Arthur G. Lambrieux, Ward Three.

Councillor Lambrieux suggested a by-law be introduced forcing all dog owners to keep their pets under control during certain hours. He took this stand because of several complaints filed with the council that dogs were destroying sheep and chickens in the municipality.

Although municipal solicitors stated such a course could be followed by the council, that body decided to drop the entire matter.

Director of education for Ayrshire, nominated by the Scottish Association of Directors and Secretaries for Education to represent Scotland, the guest of W. B. Langman, the Up-lands.

**FROM ENGLAND**  
Nominated by the English Association of Directors and Secretaries for Education are Dr. J. E. Smart, director of education for Acton (London), who will stay with Major and Mrs. H. Cuthbert Holmes, Newport Avenue; W. A. Brooking, C.B.E., director of education for Leicestershire, who will stay with Mr. and Mrs. Hugo Beaven, 1176 Beach Drive, and F. H. Toyne, education officer for Brighton, who will be the guest of Senator and Mrs. G. H. Barnard, 1482 Rockland Avenue.

Nominated by the Overseas Education League are E. M. Rich, education officer for London, and E. Salter Davies, C.B.E., director of education for Kent, who will stay with Mr. and Mrs. J. E. Smart, 1176 Beach Drive, and F. H. Toyne, education officer for Brighton, who will be the guest of Senator and Mrs. G. H. Barnard, 1482 Rockland Avenue.

Mr. Warren reported on his return yesterday from the meeting. Carl Morck, of Aberdeen, was chosen president of the association, with F. W. Mathias, of Hoquiam, as secretary.

**TOUR PARTY CLAIMS VICTORIA IS MOST CHARMING OF CITIES**

Victoria is considered the most interesting and beautiful city visited on a 3,000-mile tour of North America this summer, by members of the Bowman Travel Tour of Kentucky, The Victoria and Island Publicity Bureau was so advised yesterday, by mail.

Another letter to the bureau was a request from the secretary of the Bowman Travel Tour of Kentucky, asking for specimen copies of the Vancouver Island tourist map. He stated that San Antonio was preparing a somewhat similar map and that he had been advised by a number of people to use the Vancouver Island map as a guide.

The current issue of The Monetary Times, of Toronto, carries an editorial entitled "Victoria Practices Self-Help." The article deals with the tourist trade of this city, giving facts and figures, and credits the fine showing to the activity of Mayor David Leeming and the Publicity Bureau.

**Obituary**  
STEWART—Funeral services for John Sayers Stewart, 740 Audley Street, who passed away suddenly on Wednesday, will be held tomorrow afternoon at 2:30 o'clock at the Royal Oak Burial Park.

CAMERON—The funeral of Mrs. Caroline Cameron, 2109 Fernwood Road, widow of William J. Cameron, will be held this afternoon at 2:30 o'clock at the Thomson Funeral Home. Rev. James Hood will conduct the service, and interment will be made in the Colwood Burial Park.

BRUCE—Funeral services for William Bruce, who passed away in this city on Tuesday, will be held this afternoon at 3 o'clock at the parlors of the S. J. Curry & Son Funeral Home. Rev. Dr. W. O. Wilson will officiate, and interment will be in the family plot at Royal Oak Burial Park.

## C.C.F. SYSTEM IS CRITICIZED

D. B. Plunkett Declares Canada Must Guard Against Sneaking Revolution

"Wherever you find C.C.F. adherents, you will find Communists," D. B. Plunkett, Conservative Federal candidate in Victoria, declared last night at a public meeting in Oaklands School. Other speakers at the gathering were Patrick J. Sinnott and Robert D. Harvey.

"We must see that revolution does not sneak upon us like a thief in the night, fomented by residents of Canada, who, in many cases, have illegally entered the Dominion," stated Mr. Plunkett.

Asserting that the recent Regina riots were fomented by Communists, the speaker said that nobody in Canada "starved, nor did they lack clothes. He stated that if plans of the C.C.F. were carried out, it would mean that hundreds of Canadians would lose their hard-earned businesses and would have to exist on charity. "I do not believe that residents of Victoria take much stock in false Liberal promises," he said.

**TIMES IMPROVING**  
Outlining accomplishments of the Federal Government, Mr. Plunkett declared that conditions were rapidly improving, and votes for the Conservative party would mean security for Canada. He paid tribute to work of the Tourist Trade Development Association, stating that under Dominion Government supervision, the tourist trade would mean the influx of millions of dollars into Canada.

Asserting that the C.C.F. did not exist outside British Columbia as a Dominion factor, Robert D. Harvey said he had every respect for clergymen, but that they were not practical men. They did not know how to run their own affairs, he stated.

"Economically speaking, conditions on Vancouver Island are not as bad as C.C.F. followers and agitators make them out to be," continued Mr. Harvey, pointing out that increased building figures refuted the cry that the country was "going to the dogs." Urging the audience to vote Conservative, he maintained that Premier R. B. Bennett's Government had carried out its duties to the people of Canada in a way that would cause it to be remembered as one of the greatest governments in the history of Canada.

**SYSTEM UNWORKABLE**  
Patrick J. Sinnott sought to prove that a Social Credit or C.C.F. system was unworkable in British Columbia. He gave figures to prove that even if industries were taken over, the public share would amount to only a few dollars per month.

He was not entirely in sympathy with the unemployment camp system, but believed it far better than the slavery system of the Soviet Union. He pointed out that men had a chance to study and improve themselves.

"Through D. B. Plunkett, the Conservative Government offers the only sane and sound salvation of Canada," Mr. Sinnott concluded.

**OPPOSED TO B.C. INSURANCE SCHEME**  
Continued From Page 1.

"The Canadian Medical Association stands for a Royal commission to make a coast-to-coast investigation of health insurance and to decide upon what basis, if any, it shall be considered."

Dr. J. Tate Mason, Seattle, president of the American Medical Association; Dr. T. C. Routley, secretary of the Canadian Association; Dr. H. H. Kilgus, president of the British Columbia Medical Association, and others, added their condemnation of health insurance as at present proposed.

Dr. Routley reiterated the demand for a Royal commission and said he had received telegraphic assurances from the Life Insurance Officers' Association that it would cooperate with the Medical Association by appointing experts to make an actuarial survey of Canada as a basis of health insurance rates.

"This isn't your fight alone," he said to the British Columbia doctors. "If this province goes for health insurance then the rest of the provinces will do the same."

**TOUR PARTY CLAIMS VICTORIA IS MOST CHARMING OF CITIES**

Victoria is considered the most interesting and beautiful city visited on a 3,000-mile tour of North America this summer, by members of the Bowman Travel Tour of Kentucky, The Victoria and Island Publicity Bureau was so advised yesterday, by mail.

**FLOWLINE TO BE IMPROVED**

Work of Strengthening Joints Will Be Started Next Monday

Work of strengthening the joints in the city's water flowline under the Island Highway at Langford Lake will probably commence on Monday. Following a meeting of the water committee, yesterday, Alderman Andrew McGavin, chairman, announced that an order had been placed for the necessary bands.

Material will cost approximately \$1,000, and it is expected that this with the cost of labor, will bring the sum up to \$3,000.

However, the city has been assured that the Provincial Government will share half the cost. If the work were not done now while the Island Highway is being reconstructed, it would mean that the city would have to tear up the roadway for a depth of nine feet in order to continue its work of strengthening the joints.

One mile of the work will be done this year. Each year the city carries out a portion of this work with a view of ultimately placing new joint bands on the water-flowline along its entire course.

This will reduce the leakage to a negligible amount, and give a more efficient service to the city besides providing the city with a more accurate figure of how much water is actually used and how much is wasted in leakage.

**PREMIER IS NOMINATED**

Continued From Page 1  
Mr. Bennett was the only name to go before the open convention. Mayor Andrew Davidson, who is Conservative candidate in Bow River, addressed the meeting. William Parslow, who came to Calgary in 1888, and has been associated

with Mr. Bennett since the latter came to Calgary in 1897, moved the nomination, which was seconded by Mrs. Murray Lister.

**EXPLAINS CONSTRUCTION**  
"Referring to his efforts to do something for the people of his own riding, Mr. Bennett spoke of the Opposition criticism aimed at the construction of a barracks for the permanent forces now under way in Calgary West."

"I am amazed," Mr. Bennett said, "that the leader of a great party would describe those barracks as preparation for the setting up of a police force to aid me in establishing a dictatorship. Politics have fallen to a pretty low level when they have to descend to such methods to secure votes." The barracks would not increase the forces, but would provide quarters for those already serving.

Discussing charges that he aimed at a dictatorship, Mr. Bennett declared that no act of his Government in the past five years had failed to secure the endorsement of Parliament, "but the Liberals were in power nine years without a majority. Perhaps that is the reason Mr. King is so anxious to secure a majority this time."

During the last five years the Government had placed legislation on the statute books of Canada unrivaled by any British Parliament in the same length of time.

**NO HELPFUL SUGGESTIONS**  
In all the five years he had been in office, there had never been "a kindly word or a helpful suggestion" from the Liberal party. Liberals had voted for the social legislation, but had attacked its constitutionality. "But with everything else Mr. King was up on his feet with a book in his hand, warning that we were usurping the rights of Parliament."

Attacks had been directed against him personally that he did not consult his colleagues, and that he was intolerant. During the five years he was in office, more Cabinet councils had been held than during any other similar period. "The must be barren of argument when they can produce nothing better than that against the Government."

The song, "After the Ball" is said to have brought a royalty of \$100,000 to its composer, Charles K. Harris.

## EVANGELIST REVEALS HIMSELF AS KILLER

Continued From Page 1

But the shadow of his conviction still haunted him. He was not a free man. He had told the woman he married, his revival meeting song leader, of the past, but he still had to make peace with the state to ease his mind, he said today.

**TO SAVE BROTHER**  
At his trial, Davis claimed he killed Fred Youst to save the life of his brother, Floyd, who had been threatened by Youst. He was convicted October 21, 1911. Floyd Davis served a five-year sentence in connection with the case.

Smith's counsel said the evangelist had traveled throughout the country, and recently had conducted revivals at Portland, Ore., Birmingham, Atlanta and Philadelphia. He has considered Santa Cruz, Calif., his home.

## SAVING EYES FROM DAMAGE

President of Sight Saving Council Explains Purpose of Organization

"Investigation of all means known to saving of human eyesight from damage, and to the assisting of human eyes to see. To disseminate the knowledge as widely as possible to the benefit of all people. Such is the purpose of the Sight Saving Council of Canada, it was stated here yesterday by the president, Frank T. Groome, of Toronto. "Progressive destruction of human eyesight, through intensive use of their eyes, from working under improper lighting conditions, has forced individuals and associations to band together in such groups as sight saving councils," the visitor explained.

### LECTURES WIDELY

The council carries out its objects by lecturing to various groups throughout the Dominion. Yesterday he addressed a meeting of Victoria optometrists at the Douglas Hotel. Most frequently the groups before which lectures are made and demonstrations shown are those of parent-teacher associations, home and school clubs, and social and service clubs of all kinds. The level of illumination in stores, hotels, churches, offices and factories in Vancouver is dangerous, low, it was shown in a recent survey, Mr. Groome said. This was also true in the East, he added, with an overwhelming amount of glare, which was extremely harmful to the eyes.

### POOR LIGHT ILLS

"People in Victoria are taking aspirin tablets today to cure bad lighting," Mr. Groome declared, in charging various common ills to poor lighting conditions. In Eastern Canada now, thirty-five-foot candles of uniform illumination—not in spots—are being demanded by illumination engineers for new buildings. The average office worker throughout the Dominion labors under from five to two-foot candles of light, he explained.

## STATE HEALTH PLAN STUDIED

Victoria Sittings of Provincial Committee on Insurance Bill Open Monday

Discussion of the proposed state health insurance bill for British Columbia will continue at public hearings before a Provincial Committee of sixteen next week in a two-day session fixed for Victoria. The hearings will take place at the Legislative Buildings, beginning on Monday morning. Representatives of the British Columbia College of Physicians and Surgeons, Royal Provincial Jubilee Hospital, Queen Alexandra Sanatorium, Building and Construction Industries Exchange, British Columbia departmental stores, Oak Bay municipality, Vancouver Board of Trade, British Columbia Loggers' Association, and some other groups are expected to appear personally before the committee on R. V. Stuart, W. E. Payne, Dr. Cyril Waco, Dr. W. E. Ainley, R. Marsh, R. J. Lecky, J. I. Gorch, and R. F. Blandy. Dr. Alton Peebles, attached to the Provincial Secretary's Department, will be in the chair.

Expected to appear personally before the committee are R. V. Stuart, W. E. Payne, Dr. Cyril Waco, Dr. W. E. Ainley, R. Marsh, R. J. Lecky, J. I. Gorch, and R. F. Blandy. Dr. Alton Peebles, attached to the Provincial Secretary's Department, will be in the chair.

## Two Rescued From Wreckage of Raft

LETHBRIDGE, Sept. 19. - After clinging to the wreckage of a raft for more than an hour in the centre of Crow's Nest Lake, near Blairmore, Oscar Kroyt and Peter Drosse, relief camp workers, were rescued by companions who witnessed their plight from shore. Exhausted, they were rushed to Blairmore Hospital, late Wednesday, where they were reported recovering today.

## City and District

Relief Check - The Saanich Council was last night informed by the Provincial Government that a relief check for \$10,000 will be conducted during October.

Meeting Postponed - The meeting of the Cloverdale British-Israel Branch has been postponed until Friday, September 27. The speaker will be Mrs. G. E. Allree Coley.

Hospital Association - The Royal Cariboo General Hospital Association was incorporated by the Province this week, with J. P. Scarlett, gold commissioner at Barkerville, as the government's representative on the hospital board.

Bowling Team - Members of the Rotary Club wishing to form a bowling team to compete in the Inter-Service Club League are asked to get in touch with B. A. Boase, Franchise holder for the district, who will be held on the evening of September 27.

Forest Revenue - Data on forest revenues issued from the Legislative Buildings yesterday. Provincial forest receipts in August were \$286,875, it was announced, and the total for eight months \$1,521,000. July receipts were \$227,993.

No Judge Available - No judge of the Supreme Court was in the city yesterday, so no chambers sitting was possible. Chief Justice Morrison, who had been here during Tuesday and Wednesday, had returned to the Mainland.

Loan By-Law Approved - The Provincial Government approved a loan by-law for Merritt yesterday, under which \$1,600 will be loaned to that area by the Province at 4 1/2 per cent interest, secured by a municipal demand note.

Recorders Switched - John E. Jones was appointed deputy mining recorder at the Trout Lake sub-agency yesterday by the Province, to take the place of Hugh Macpherson, whose appointment to the post was rescinded.

Common Danger Case - In the Saanich court yesterday Jiva Singh was fined \$20 for driving to the common danger when his truck collided with a car driven by Ralph Green. The accident occurred on Cook Street near Quadra Street. Both conveyances were damaged.

Request Sidewalk - A sidewalk along Gorge Road to approach Craigflower School, was sought from the Saanich Council last night by eleven parents in the area. The matter was referred to Engineer H. H. Allen for report.

Tag Day Tomorrow - The Dr. M. Jones Chapter, I.O.E.E., will make its annual appeal for donations for its milk fund for undernourished school children tomorrow. It is hoped that the public will support this most worthy project.

Liberals Meet - Jack McDowell, Liberal Federal candidate in Victoria, will address a public meeting at Oaklands School this evening commencing at 8 o'clock. He will be supported by Carey Martin and W. T. Smith. Philip McDonald, member of Ward Three Liberals, will preside.

Seeks Road Resurfacing - Resurfacing of the road fronting Brentwood College, was sought from the Saanich Council last night by officials of the college. Councillor L. C. Hagan and Engineer H. H. Allen were instructed to prepare a report.

Soldier Fills Pledge - Another British Columbia veteran completed his agreement under the Soldiers' Better Housing Act yesterday, when the Province released the customary grant of \$300 in respect to an agreement entered into by Archie Bulman, of 2332 Trinity Street, Vancouver, with Vancouver City.

Official to Retire - Provincial orders yesterday announced the pending retirement of William H. Kelly, Provincial inspector of amusement taxes, Vancouver, to take effect as at November 30. The appointment of Miss A. V. Betterton to the Vancouver office of the forestry branch was made permanent.

Wine Oil Burner - The correct number of nails in the jar at the south of the 74th Oil Burner Sales Company at the Fair was 2336. The nails were counted by the kindness of D. D. McTavish and E. M. Whyte. The winner of the oil burner was Mrs. Alan Gardiner, 1379 Esquimalt Road.

Seeks Naturalization - Cheon Chung, a native of China, who has resided in this city for a number of years, is applying for Canadian citizenship. His application will come before Judge Lampman at the December sitting of the County Court. For some years naturalization has not been granted Chinese in this country.

Will Speak Tonight - Captain Guy Sheppard, M.C., will give an address at the City Temple tonight at 8 o'clock. Captain Sheppard will review the coming general election and the world war situation from the Canadian workers' point of view. He will also announce his intentions regarding nomination for Parliament. The public is cordially invited to attend.

Salmon Plant Licences - Five salmon dry saltery licences were issued yesterday by the Province. These went to the Canadian Fishing Company, Ltd., at the Home Cannery, Vancouver; Coast Packing Company, Ltd., McCallum Bay, Barkley Sound; O. Takahashi, of Stevenson; Nelson Bros. Fisheries, Ltd., of Sepece, Vancouver Island; and Vince & Company, Ltd., of Santa Bay, Vancouver Island.

Tax Sale Postponed - Hon. A. W. Gray announced yesterday that Burnaby's tax sale would be postponed for a period, in which time it was hoped to give work to taxpayers who have so far not been able to meet their commitments on property taxed within the commission area. Machinery to register taxpayers for relief work was set up, the adjourned sale being postponed.

## ALLEGATIONS ARE LEVELED

Saanich Council Scene of Warm Debate on Municipal Yard Costs

Allegations that "someone has put one over this council" were fired over Saanich Council table last night by Councillor Arthur G. Lambrick, Ward Three, as councilors waged their first verbal battle in months. The discussion, which lasted well over an hour, was provoked by the statistical report of costs at the new municipal yard.

The report, tabled by H. H. Allen, municipal engineer, and called for recently by Councillor Lambrick, revealed a total of \$5,130 had been expended on yard buildings. This sum included \$1,795.90 for labor and \$3,334.27 for materials. Councillor Lambrick, supported by Councillors E. C. Warren, Ward Two, and L. C. Hagan, Ward Six, claimed the original estimate was \$2,000. They protested the over-expenditure.

### HEALTH DEPARTMENT

Work on the municipal health department at Royal Oak cost \$2,007, with \$1,179 for labor and \$828 for material. The estimate for this job was \$1,400.

Reeve William Crouch stated he had understood the \$2,000 estimate for the yard work was for material only. This was substantiated by Councillor G. S. Eden, Ward Seven; Councillor Fred Borden, Ward One; and Councillor H. D. Cotton, Ward Five.

Councillor Lambrick in his repeated allegations charged: "It's just a way of slipping one over. I know what the game is." He absolved Municipal Engineer H. H. Allen from blame. Pressed by Councillors W. R. Woods and Eden to prove his claim that "more than one official wanted to get this thing through," Councillor Lambrick stated officials knew the work could not be completed for \$2,000.

## Football Teams To Open Season

Saanich and District Football League will open its 1935-36 season on Sunday, October 6. This was decided upon at a meeting held recently.

Teams entered in the league are: Saanich Rangers, Bluebirds, Marigold, Strawberry Vale, Burnside, Admirals and Victoria Indians. The new officials elected at the meeting were: Mr. Atkinson, president; Mr. Derman, vice-president; and Hiram Cassio, secretary-treasurer.

### Knockout Final Billed at University School Grounds - Victoria Plays Albions

University School Incoogs and the Five Cs will meet tomorrow afternoon at the University School grounds in the final of the annual knockout competition staged by the Victoria and District Cricket Association. One other match, a friendly, will be played and will bring together Victoria and the Albions at Beacon Hill Park. Both fixtures will commence at 2 o'clock.

The knockout final promises to produce some excellent cricket with rival squads at full strength and battling for the final honors of the season. The matches will ring down the curtain on the Victoria and District Cricket Association fixtures for the 1935 season.

The Victoria eleven will be as follows: Kinch (captain), Bosson, Collett, C. Jones, F. Jones, Grant, Tomalin, Hood, Sellers, J. F. Meredith, P. Austin and G. Austin.

## ANNOUNCES SALE OF LARGE BOND ISSUE

OTTAWA, Sept. 19. - The Dominion Government sold a bond issue today amounting to \$135,000,000. It was announced by Finance Minister Rhodes. One year 1 1/2 per cent bonds made up \$45,000,000 of the issue and were sold to yield approximately 1 1/2 per cent interest. The balance, \$90,000,000, was in three-year 2 per cent bonds on a basis to yield approximately 2 1/2 per cent. The sale was made to a group of Canadian banks.

## To Answer Questions About Bill

The first regular meeting of the Provincial W.C.T.U. was held at the Chemainus Hospital Auxiliary on Wednesday afternoon in the Baptist Church rooms. The sewing convener reported on her garment completed and turned in during the month. The buying committee reported on the purchase of a bolt of bandage material, office awnings and curtains for Room Two. Final arrangements were completed for the card party to be held this evening in the Recreation Hall. Considerable material was placed and a large number of good prizes will be given. As the proceeds of this card party are for the purchase of a special lamp equipment for the hospital, and will take the place of the cancelled summer garden party, hearty co-operation of all local residents is requested. The secretary, Mrs. E. H. Wright, reported on the purchase of a bolt of bandage material, office awnings and curtains for Room Two. Final arrangements were completed for the card party to be held this evening in the Recreation Hall. Considerable material was placed and a large number of good prizes will be given. As the proceeds of this card party are for the purchase of a special lamp equipment for the hospital, and will take the place of the cancelled summer garden party, hearty co-operation of all local residents is requested.

## FOR PROHIBITION

Resolved: "That we reaffirm our conviction that there is no final solution of the liquor problem short of total abstinence from the drinking habit for individuals and the total prohibition of the liquor traffic throughout the nation."

## UNEMPLOYMENT QUESTION

Resolved: "That we deeply deplore the present situation regarding unemployment; that we strongly condemn a continuance of the system of segregating men, especially youth, and that we urge the powers that be to remedy this as speedily as possible by creating work so that at the earliest possible date all our men, physically capable, be gainfully employed."

## MOVING PICTURES

The question of motion pictures, their harmful influences, their censorship and other phases of the business came in for a good deal of discussion, and the following resolution was passed: "Being keenly conscious of the deleterious influence on youth of suggestive or immoral pictures and deploring the increasing display of scenes of drinking shown, especially as a regular or fashionable pastime, resolved that we strongly condemn plays of such type to the censor board, whenever a possible influence might be effected by so doing, and also express our public approval of wholesome films."

## LIQUOR SALE

Resolved: "That we urge upon our Government the repeal of the liquor C.O.D. by telephone, to reduce the hours of sale, and favor a change in the Liquor Plebiscite Act making the electoral district the minimum area in which a plebiscite may be held, and the strict enforcement of law referring to minors and Indians frequenting places where alcoholic drinks are sold, and consuming liquor therein."

## OPPOSE WAR

Introduced by Mrs. C. C. Spofford, Mrs. Allan Campbell, convener of the League of Nations committee of the Local Council of Women, gave a resume of the work accomplished by the League during the past year. The subject of her address was "International Co-operation." Even though the League should fail to put an end to the Italo-Ethiopian trouble, its effort will still be the greatest ever made against that destructive monster, war. Mrs. Campbell said at one point, "The emphasis of the League is on the destruction of all war pictures and the revision of history books and the education of children along peaceful lines, impressing upon them that war is morally wrong."

## SUPERINTENDENTS NAMED

The following superintendents were named: Evangelistic, Mrs. E. Derks (Kamloops); parlor meetings, Mrs. F. W. Laine; press, Mrs. J. P. Ricks; flowers and fruit, Mrs. W. H. McPhie; Canadianization, Mrs. James Gray; Sabbath observance, Mrs. John Hall; Sunday school, Mrs. W. Laine; fair work, Mrs. J. H. Kerr; Little White Ribbons, Mrs. F. Shoemaker; sailors and miners, Mrs. F. Land; anti-narcotics, Mrs. Arnott; B.T.L., Mrs. S. Chapman; world's missionary, Mrs. W. Macbeth; literature, Miss E. Armstrong; civics, Mrs. A. H. Hibberd; parliamentary usage, Mrs. Helen McGill; provincial home committee, president, Mrs. F. Gray; recording secretary, Mrs. W. C. Kelley; treasurer, Mrs. W. C. Kelley; corresponding secretary, Mrs. C. C. Spofford; committee, Mrs. W. M. Grant, Mrs. F. W. Laine, Mrs. C. B. Brown, Mrs. J. H. Hall, Mrs. J. Scott, Mrs. E. A. Sablston, Miss Gill and Miss M. J. Wark, matron.

## Clubs-Societies

Chemainus Hospital W.A.

The first regular meeting of the Chemainus Hospital Auxiliary on Wednesday afternoon in the Baptist Church rooms. The sewing convener reported on her garment completed and turned in during the month. The buying committee reported on the purchase of a bolt of bandage material, office awnings and curtains for Room Two. Final arrangements were completed for the card party to be held this evening in the Recreation Hall. Considerable material was placed and a large number of good prizes will be given. As the proceeds of this card party are for the purchase of a special lamp equipment for the hospital, and will take the place of the cancelled summer garden party, hearty co-operation of all local residents is requested.

## Entertainment to Be Held Tonight

Tonight a social will be held at Centennial Church and a programme of much variety will be presented. Mr. J. W. Buckler, chairman of the musical programme committee, has been busy arranging a concert of interest to everyone, and among the vocal soloists to appear are Mrs. C. W. Williams, Miss Janet Hay, Mrs. E. J. Kyles, H. R. Carrard and C. R. Downman. A. Beatty, winner of a salmon, donated by Mrs. E. M. Dawson Thomas. Mrs. G. W. Bisset and Mrs. C. P. Deykin had a musical potluck. An enjoyable musical programme, arranged by Mrs. H. P. Swan, consisted of songs by Mrs. Dickie and Mrs. F. Russell, with Miss L. Monk at the piano and piano solos by Miss Goldsmith.

## I.O.D.E. Activities

Cowichan Chapter

Cowichan Chapter held a successful silver tea on Tuesday afternoon at the home of Mrs. C. H. Dickie. The guests were assisted in receiving by Mrs. F. W. Gallows, way, regent of the chapter. The drawing and dining-rooms were attractively decorated in colors of mauve and yellow, and the tea table with beautiful yellow autumn flowers and mauve candles in silver sconces. Mrs. F. G. Christmas and Mrs. N. E. Suddaby poured the tea. The committee included Mesdames J. A. Kyles, H. R. Carrard and C. R. Downman. A. Beatty, winner of a salmon, donated by Mrs. E. M. Dawson Thomas. Mrs. G. W. Bisset and Mrs. C. P. Deykin had a musical potluck. An enjoyable musical programme, arranged by Mrs. H. P. Swan, consisted of songs by Mrs. Dickie and Mrs. F. Russell, with Miss L. Monk at the piano and piano solos by Miss Goldsmith.

## Y.P.S. News

BAPTIST

The Douglas Street Baptist Society will hold its regular meeting tonight at 7:45 o'clock. Rev. G. A. Ward will be the speaker. Everett Ward will be in the chair.

## VICTORIA WEST

The Victoria West United Society recently held an enjoyable get-together social at its first meeting of the Fall season. Members and their friends were welcomed by the president, Mr. Cecil Milley, and the secretary, Mr. W. R. Brown. The social began with a sing-song, after which games were played. While refreshments were being served, Mr. Milley spoke of the different programmes arranged for each meeting of the new season. Next Tuesday, the society will be the guests of the congregation meeting, which will be in the form of a social, when Rev. J. H. A. Warr will speak on "Second-Hand Religion."

## METROPOLITAN

The Metropolitan Society met in the schoolroom of the church on Monday evening. Mr. W. R. Brown, Douglas Ritchie and Bert Simpson gave interesting accounts of their camp days at Semiahmoo Bay. Young People's Leadership Training camp. Worship service was in charge of Miss Hazel McPhie. Games and contests were under the supervision of Miss Doris Smith. The members will be entertained by a guest speaker on Monday evening at 8 o'clock.

## CENTENNIAL

The Centennial Society held its regular meeting in the church parlour on Tuesday evening. The programme was in the devotional period with Ellen Foster and Jim McCague taking part. The main part of the meeting was in charge of the Study Group. Jim McCague gave a talk on the "Collective System," after which all the members took part in a discussion centring around the League of Nations and the Italo-Ethiopian dispute. Next Tuesday the group will be entertained by a speaker.

## Tuberculous W.A. Has Birthday Tea

A successful birthday tea was held yesterday by the Women's Auxiliary to the Tuberculous Veterans' Association. The opening ceremony was the unveiling of the Union Jack, which had been presented by Mrs. H. K. Prior, who ran it up the top of the pole. In her remarks, Mrs. Prior said that the flag had been purchased at the time of the visit of His Majesty the King to Victoria, when he was the Duke of York. She had kept the flag since that time, and now in the Jubilee Year of His Majesty's reign, she presented it together with the pole to the T.V.A. for their use.

## Club Continental Attracts Crowd

Those attending the Club Continental on Wednesday evening included Mrs. T. Johnson, Mr. and Mrs. Fred Campbell-Hunter, Mr. and Mrs. B. Walker, Mr. and Mrs. Charles Ford (Los Angeles), Mr. and Mrs. Philip Wentworth (Santa Barbara), Mr. and Mrs. Tom Sutherland. The Misses Marianne McKelving, Phyllis Kella, Peggy Allen, Peggy Brindie, Winifred Tait, Helen Sweetland, Marguerite Peplow (Sault Ste. Marie), Evelyn Morran (Sault Ste. Marie), B. Miles, Margaret Jancowicki, A. Casperson, Wright, Evans, Muriel Barnett, K. Williams, Langston, Mary Lindgren, Barbara Cockburn, Shirley Wedderburn, Gladys Warner, G. Mercer, "Pat" McCann, Allen Cullum, "Pat" Catterall, Daphne Hall, Doreen Swynne, Irene Ruggles, Marjorie Benson and "Pat" Campbell.

## Soroptimist Club Makes Plans for Winter Programme

At the bi-monthly meeting of the Soroptimist Club held in the clubrooms on Wednesday two new members were welcomed, Miss Margery Holms, legislative reference clerk, and Miss Doris Holme, interior decorating. Plans were discussed for the Winter programme, which includes a monthly bridge party to be held on the first Wednesday of every month in the clubrooms, proceeds to go to the welfare fund. The first event of the season will be held on October 2. Plans were made for the Christmas bazaar, which will be held on Saturday, December 7, further details to be announced later.

## CLUB IN PEIPING

News has reached the Victoria club of the formation of a Soroptimist Club in Peiping, China. One of the new clubs to join the Soroptimist ranks in Europe is Tartu, Estonia, Baltic States. This is the second Soroptimist Club to be organized in that country of 200,000 persons, where women have long enjoyed equal rights with men in business and the professions. Dr. Louise Hall, president of the New York club, was a recent visitor in the city and was entertained by members of the executive.

## STENOGRAPHERS' CLASS

The practice class for stenographers, which has recently been organized at the Y.W.C.A. under the auspices of the Soroptimists, is reported as having enrolled fifty girls. However, owing to the fact that the number of typewriters is limited, only a few hours can be allotted to each of those enrolled. It is hoped that the businessmen and women of the city will help by offering to loan two or three more machines, so that more time may be given to this work.

## Duncan

Mrs. F. X. Russell and Miss Sheila Russell, of Vancouver, are paying a farewell visit to Duncan prior to their departure to England, where they will reside. With Major Russell, they will sail on a Furness liner from Montreal on October 17. Mrs. and Miss Russell are present house guests of Mrs. H. P. Swan, and when joined by Major Russell at the week-end, will visit Major and Mrs. W. R. Russell at Quamichan Lake.

## Anglican Young People

A business meeting of St. Mary's was held in the hall on Wednesday evening. Mr. Verburgh gave a short talk and officiated at the installation of the following officers: President, George Bennett; vice-president, Ronnie Halliun; secretary, Evelyn Baylis; corresponding secretary, Owen Williams. Several new members were welcomed. The next meeting will be a "surprise evening."

## Saltspring Island

Miss Betty Halley has returned to Victoria after a week-end visit with her parents, Mr. and Mrs. J. D. Halley, of North Saltspring. Miss Kathleen Armstrong, of Merritt, is spending a week at Ganges as the guest of Major and Mrs. F. C. Turner.

## OUTLINES NEW COAL INDUSTRY

### Ladysmith Board of Trade Suggests Coal Tar and Oil By-Products

LADYSMITH, Sept. 19.—After a two-months' rest, for the benefit of vacationing members, the Board of Trade resumed the regular sessions Tuesday evening.

The alarming decline of the Island coal industry was responsible for a resolution that will ask the Federal Government to investigate the feasibility of establishing an experimental and research work on the conversion of coal into component oils and coal tar products.

**ISLAND SUITABLE**  
A study of the practical findings of experiments in England, where three plants are established and others are contemplated, has convinced the board that the Island coal should prove an ideal base for the process, especially in the Cassidy-Wellington area. It will be pointed out that year after year large numbers of miners are being permanently displaced from the industry.

The establishment of the suggested processing units, would absorb those forced out during the past ten years, with the probability that other hundreds could be gainfully employed in connection with industries dependent upon the coal-tar by-products.

Copies of the resolution will be forwarded to all Federal candidates in the riding.

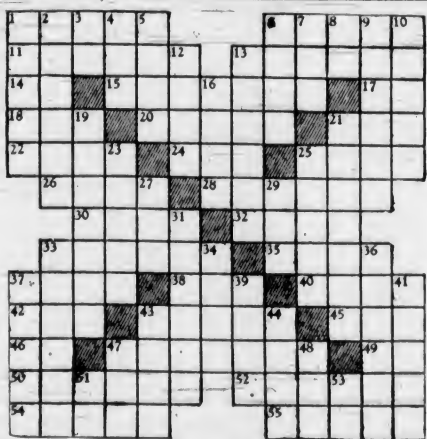

### TIMBER PROSPECTS

It is reported that important timber development work is scheduled for this area at an early date in the timber reserve held by Rockefeller Foundation interests. No confirmation of plans is yet obtainable, and the board will watch the matter closely with a view to advocating the construction of a saw-mill and lumber manufacturing at Ladysmith. Nearly 200,000,000 feet of high-grade timber was swept over in that block by the storm of December, 1933, and it is important that this should be taken out before deterioration commences. The board will point out to the successful firm amongst those engaged in negotiations for the timber block, that Ladysmith provides the logical and most economical site for milling, and for rail and seaboard shipment.

A letter to Mayor W. W. Walkem from C. P. Browning, general manager of the Britannia Mining & Smelting Company, quoted to the board, gave a decided check to the optimism generated with the recent report that the Britannia Company would exercise their option and encourage immediate development of the Sicker group of mines, which includes the Tyee, the Lenora and the Richard III. Mr. Browning thanked Mayor Walkem for his explanation of the facilities at Ladysmith and concluded: "Although there had been some negotiations between ourselves and the Tyee Company, these have now been dropped, and we are no longer interested in that district."

After a brief discussion on local road requirements the board adjourned.

## STORMY LOVE

A YOUNG MAN'S ROMANCE BY BELLE BURNS GROMER

### CHAPTER XLVI

Val wondered what Jan would have done when he was trapped in the forest. As if he didn't know! A girl like Jan would never have hesitated an instant to make her way into the depths, over every obstacle, into the most terrific danger, until she had found her man. That was the love that a real woman could offer. Something fierce, protective, magnificent. She wasn't the sort who would only demand and take from a man. She would give.

But he must not think of Jan. Neither must he dwell on today's racking events. There in the forest he had not been quite sane. He must forget the ugly thoughts that had haunted his disordered mind. With a quick movement he set Lia abruptly on her feet and pulled his own weary body upright. "I am very hungry and tired," he said evenly. "I am sure you are also. When we have scrambled together something to eat, we must sleep." Before he entered the house, however, he made a careful circle of the brush about the clearing to make sure that none of the cigarettes Lia had carelessly tossed from the porch should be left smoldering there.

In the cabin, after he had built a roaring fire, he looked about the flame-lighted room, and frowned impatiently. The bunks were unmade, sticky breakfast dishes still littered the table. A pile of magazines on the couch betrayed how

They spent long hours in the trout stream.

Lia had passed the waiting hours. "While I cook dinner, you must stay up this place," he said sharply. Thereafter he paid her no further attention but went on to the tiny kitchen where, before long, the coffee pot bubbled merrily; eggs beaten to a golden froth in a blue and white china bowl stood ready to be converted into an omelette; on the skillet a thick slice of ham sizzled and sent forth little savory gusts of delicious fragrance.

When he carried the hot plate of food into the living room, Val paused at the door, surprised to see how

that he could take his liquor or let it alone! Well, that was true. He just hadn't realized it was getting to be a habit. A habit was easily conquered. When you understood a thing like this, you had it more than half licked from the beginning.

A long swim in the lake's bracing waters helped matters. Again, after drinking ink-black coffee with his dinner he was free for a while. But, as the evening wore on, the goading desire returned to set him nervously pacing the porch. The realization grew that it was himself, and not Lia, who was to prove the real problem of this stay at Paradise lake. And hours later, staring with wide, wakeful eyes into the darkness, he resolved to leave this place on the morrow and set out for civilization once more.

Only the danger of taking Lia over badly marked trails, with more than an even chance of losing their way in that great expanse of virgin timber, kept him from obeying this intense urge. During the following day's little, bronzed body clad only in bathing trunks, he sought relief in hard swimming, in striding about the lake on strenuous hikes, in paddling the canoe with strong, sweeping strokes that sent it skimming across the water. Yet despite his exertions, at night when Lia lay in deep sleep, he sat awake before the smoldering fire or paced the clearing. And before long he grew to understand that it was not only the craving for liquor that tortured him almost beyond endurance.

Always just at the edge of his consciousness, his longing for Jan lay in wait to lure him into dreams of her. Always it seemed as if he had only to permit himself to look, in order to see her there, his constant companion. She swam beside him, walked with him, rode a paddle in the canoe. Every sunset, every patch of wild flowers, every lacy branch against the stars impelled him to turn and share the joy of it with her. With golden hair flying she ran down the trail, pressed close to his side. Her low, thrilling voice came to him in the song of the brook, the sighing of the night wind through the forest.

Although at first he had feared that all his will not to recognize this beloved comrade, he began to live in this inner world and, preoccupied by his thoughts he ceased to take much notice of Lia beyond observing the ordinary courtesies. It was only on the seventh day of their stay

when exercise, good food and mountain air had brought some measure of adjustment, that he realized his neglect of his wife.

They had dropped down after a hike around the lake and as Val gazed abstractedly before him, something in the weary, discouraged droop of Lia's small body compelled his interest. It had been days, he suddenly realized, since he had consulted her wishes about anything; since he had, in fact, even carried on more than an absent-minded conversation with her. That had been unfair. Now he thought of it, she had—after that first day—proved herself a great little sport. Wherever he had led, she had tried to follow, even when it must have taxed her strength. Not only that, she had done more than her share in the household tasks and without complaining.

What a selfish dog he had been! He had brought Lia here that they might become friends. And now it was he who had not played the game. The rest of the afternoon he exerted himself to be more congenial companion. And in the succeeding days, although there was still no nearer relation than a friendly truce between them, a renewed zest of living seemed to take hold on both.

A mile and a half from the cabin a trout stream poured its jade waters into the lake and there along the wooded course they spent hours. Lia's small felt hat, like Val's, bristled with flies—hackles brown and gray, doctors and royal coachmen. The young man often smiled to see his wife standing in the shallows—a pair of child's rubber boots from Tomner's pulled—on over her jodhpurs—obeying his directions—"Your line is too slack. Keep the tip of your rod high—reel faster! Let it go again—let it sing—now! Bring it up short!"

Wading in the quiet sunshine, the air fragrant with the warm scent of balsam and sweet-smelling leaves, they shared the ineffable thrill that came with the feel of a strike, the flash of the reel's wheeling, the sight of the rod bent and the line taut in a rattle 20 or 30 feet distant. Their pulses quickened to feel the quiver of a vital, resistant thing at the end of the line, to glimpse a flash of silver beneath the green water—a fighting curve of glistening scales darting into the air.

(To Be Continued)

## PARENT-TEACHER GROUP GATHERS

Duncan Association Holds Annual Meeting and Elects Officers for Business Year

DUNCAN, Sept. 18.—Duncan Parent-Teacher Association held its annual meeting last night at the K. of P. Hall. Officers elected for 1935-36 were: President, S. R. Kirkham; vice-president, Mrs. A. Leeming; secretary, Miss Dickinson; treasurer, Mrs. L. Evans; press reporter and magazine convener, Mrs. C. P. Smith; membership committee, Mrs. J. Dunkeld and Miss K. Graham; ways and means committee, R. A. Thorpe, Mrs. W. Dobson and Vernon Jones; music, P. Paffitt; study group, Mrs. F. G. Drivers; additional executive members, Miss Anne Staples, F. Lennard, R. Hudson and H. E. Blanchard.

G. D'Arcy read a very satisfactory treasurer's report, which showed a small balance on the year after all bills were paid.

### ADULT EDUCATION

R. Hudson gave a report from the committee on adult education, which showed four replies received from local organizations who were to submit ideas for adult education in the district. Suggestions included some form of technical instruction, a lecture course on economics, more correspondence courses from the U.B.C. which might apply as credits towards graduation and lectures be sent to Duncan on particular subjects as required. The findings had been sent to Dr. Todd at the University, who had promised consideration of

Art Needlework, Second Floor, "The Bay"

## What Today Means

### "VIRGO"

If September 20 is your birthday, the best hours for you on this date are from 11 a.m. to 1 p.m., from 3 to 5 p.m., and from 8 to 10 p.m. The danger periods are from 9 to 11 a.m., from 1 to 3 p.m., and from 5 to 7 p.m.

Impetuously "VIRGO" to be the basic cause of most of this day's troubles. Do not be disturbed by petty bickerings or happenings, as they probably will pass as quickly as they started. The shrewd businessman and salesman will display good judgment if they refrain from resorting to any tactics that might arouse an antagonistic feeling in a client or prospective buyer. Threats of any kind should be avoided. The temptation to be grasping must be guarded against, this day because, if yielded to, many regrets are apt to follow. Do not be negligent in matters involving social activities, especially in issuing, accepting or declining invitations. Married and engaged couples, as well as sweethearts, will display good sense this day if they steer clear of contentious subjects, and make it a point not to be disputatious.

If a woman and September 20 is your birthday, your love for home and sociability may make it rather hard for you to enliven over work requiring studios concentration and steady application. It will pay you, however, to force yourself to use the time and energy required to achieve a desired result. Probably possessing literary ability, you may, through consistently hard work, win worth-while recognition. The concert stage or theatre and teaching, selling and demonstrating are among some of the other means of making a satisfactory livelihood—if you marry the right type of man, your married life should be successful.

The child born on September 20 may, when it arrives at kindergarten age, develop a streak of bashfulness that perhaps will cause its teacher to misjudge the youngster's mental alertness. Parents should be watchful that this does not occur. The timidity can be easily overcome if a little patience, combined with encouragement, is used.

If a man and September 20 is your natal day, your brain, rather than your brawn, will most likely

be responsible for your success. Writing, law, engineering, medicine, dentistry, painting or salesmanship may offer you the best money-making opportunities.

## E. G. CAVALSKY IS HONORED BY LODGE FOR HIS FINE WORK

NANAIMO, Sept. 19.—Honoring E. G. Cavalsky, who occupied the office of secretary for the past twenty-five years, Black Diamond lodge, I.O.O.F., presented him with a beautiful library set of oxys and gold.

W. Carmichael made the presentation, and, in his remarks, called attention to the fact that Mr. Cavalsky was one of the six Nanaimo members to have occupied the highest chair in the lodge.

A musical programme and refreshments followed. The soloists were Miss Gladys Addison, Mrs. P. L. Reynolds, and D. Arnett and Mrs. Reynolds sang a duet.

A milliana is a piece of melody, a song or tune, as opposed to recitation or musical declamation.

BANQUET TO BE  
HELD TUESDAYCredit Granters' Association  
Arranges Annual Fall Din-  
ner at Empress HotelA splendid programme has been  
arranged for the annual Fall ban-  
quet of the Credit Granters' Asso-  
ciation, which will be held next  
Tuesday evening at 8 o'clock at  
the Empress Hotel. Oliver M. Prentice,  
president of the organization,  
will preside. It will be a meeting  
for merchants and their senior  
employees.Frederic Young, retail credit man  
with twenty years' experience as  
credit manager of Lipman Wolfe &  
Company, Portland, and chairman  
of the Research Council of the Na-  
tional Retail Credit Association, will  
address the gathering. He is an  
excellent speaker and his message  
should prove exceptionally profit-  
able.Hon. George S. Pearson, Minister  
of Mines and Labor, will give his  
impressions of the benefits to retail  
merchants of present legislation, and  
also give ideas for the future.B. C. Nicholas, editor of The Victoria  
Times, will give his opinion of  
what is in store for retail merchan-  
dising in the coming year.All merchants, whether members  
of the association or not, are urged  
to attend the banquet, and are re-  
quested to make reservations by telephoning Garden 4174.BETTER CLASS OF  
HORSES ON TRACKInspector Ties S.P.C.A. Animals  
Are Handled in Fine Shape  
At the WillowsAt the regular monthly meeting  
of the committee of the Victoria  
branch of the British Columbia So-  
ciety for the Prevention of Cruelty  
to Animals, the inspector reported  
that there was a continued im-  
provement both in the class of  
horses on the race track and in the  
method of handling them.The president reported that, in  
company with the secretary and  
Mr. Dallain, president of the B.C.  
S.P.C.A., he had visited Duncan on  
Monday, where a meeting of resi-  
dents was held for the purpose of  
forming a branch to be known as  
the Cowichan and District Branch.This will lessen the work of the  
Victoria branch of the society and  
provide more efficient service in  
the Cowichan district.The secretary stated that the  
Attorney-General has promulgated  
an order-in-council prohibiting  
spring-pole training throughout the  
province. This was brought  
about through the activities of the  
Vancouver and Victoria branches  
of the S.P.C.A.

## CRUELTY TO DOGS ACT

Through the kindness of the  
R.S.P.C.A. a copy of the Cruelty  
to Dogs Act, 1933 (England), has been  
received. Under the provisions of  
this act, any court before which a  
person is convicted of an offence  
of cruelty to a dog, may order him  
to be disqualified for keeping a  
dog, and for holding or obtaining  
a licence for such period as the  
court thinks fit. It is proposed to  
endeavor to have the same powers  
granted in the Dominion of  
Canada.During the past two months,  
fifty-six cases have been attended  
and 679 animals and birds in-  
spected.Cases of cruelty or neglect should  
be reported to the inspector, G. A.  
Allen, Empire 8351, or to A. R.  
Sherwood, secretary-treasurer, Em-  
pire 7358.

## PLAY FOR CHARITY SHIELD

LONDON—Arsenal and Sheffield  
Wednesday have agreed to play at  
Highbury, the home of Arsenal,  
club, October 23, for the Football  
Association Charity Shield.

## At the Theatres

STARTLING DRAMA  
IS AT DOMINIONSpencer Tracy Playing in "Dante's  
Inferno"—Moral is Theme of  
Fine Picture"Dante's Inferno," one of the most  
startling dramas ever produced by  
the motion picture industry, comes  
today to the Dominion Theatre, with  
scenes of unmatched spectacle and  
soul-stirring sights that leave gasp-  
ing breathless in their mighty sweep.  
The thrilling adventure of Dante  
in his journey through the Inferno  
as recorded in that greatest of all  
literary classics, "The Divine  
Comedy," is pictured for the first  
time on the talking screen as an  
expression of a modern story theme  
and becomes one of the greatest  
spectacles ever attempted.The screen play is the drama of a  
modern transgressor which utilizes  
the symbolism of hell, as expounded  
in the Dante classic, to illustrate its  
theme.It provides for an amazingly  
graphic pictorial reproduction of  
that great spectacle in a sequence  
which is a kindly character and de-  
voted to the principal character, Spencer Tracy,  
in an effort to make him see the  
error of his ways and vindicate for  
him, drawing his images from the  
engraved illustrations in the book,  
the story of Dante's grim experience  
and the spirit of his philosophy.

## CAPITOL In Will Rogers' THEATRE

"Steamboat Round the Bend," now at the  
Capitol Theatre, one of the mostromantic events in the lives of the  
Mistralippi river folk, the annual  
race from Natchez to New Orleans,  
is re-enacted. A half-dozen packets  
are matched in the thrilling race  
which brings the picture to its  
climax.COLUMBIA "Girl in Danger," Co-  
THEATRElumbia mystery thriller, featuring Ralph  
Bellamy as "Inspector Trent," with  
Shirley Grey, Arthur Hohl and  
Charles Sabin in support, is now  
at the Columbia Theatre. Dr. Ross  
Feldman directed from a story by  
Harold Shumate.PLAYHOUSE Jack Mulhall, one of  
THEATREthe most popular stars of the silent  
pictures, is attempting a "come-  
back" in the Metro-Goldwyn-Mayer  
picture, "Evelyn Prentice," co-star-  
ring William Powell and Myrna Loy  
and which is now at the Playhouse  
Theatre. Mulhall, who appears as  
Sutherland, the surprise witness, in  
the gripping courtroom drama, has  
in the past few months steadily  
progressed in talking pictures with  
his roles in "Passport to Paradise,"  
"Secret Sinners," and others.Comox Fall Fair Prize Awards  
Are AnnouncedCOURTENAY, Sept. 18.—Good  
crowds attended the annual Fall Fair  
here, and the weather held clear and  
fine. The queen of the fair and  
vegetable classes was exceptionally  
good, but the number of exhibits in  
the women's section was not equal  
to former years.

The following is the prize list:

Smith.Unusual Jail Is  
Seen in Current  
Release of NewsAN empty jail-house at  
Phoenix City, Ala., with  
the prisoners spending nights  
with their families, is to be  
seen in the current issue of  
The Colonial-Universal News-  
reel now showing at the Do-  
minion Theatre. With their  
noses under their arms,  
minor offenders bid farewell  
to their wives every morning.  
Reporting at the jail, the sher-  
iff inducts the prisoners in  
their daily tasks and the men go  
to work on the roads.Other important events to  
be seen in the current issue  
include the country's foremost  
birdmen in a series of excit-  
ing speed and stunting events  
in the national air races at  
Cleveland; a huge day-ride  
tower, last landmark of a  
Century of Progress Exposi-  
tion, crashing to the ground at  
Chicago, as workmen burn its  
supports with thermite; husky  
American sailors sweeping to  
victory in an international  
lifeboat race in the Hudson  
River at New York City; and  
Red Rain coming from behind  
at the finish to capture the  
final day's feature at Saratoga  
Springs, N.Y.

## Bangtails Provide Plenty of Thrills At Willows Track

Good Finishes Are Feature of Galloping at Local Enclosure—Chateleine Surprises in Sixth Event and Pays \$20.30 to Win

Close finishes and good racing particularly in the shorter events provided many thrills for the large crowd of racegoers on hand yesterday at the popular Willows track. The meet reached its eleventh day yesterday and will continue today, tomorrow and Monday, when the final galloping of the 1935 season will be held and the most successful meet in many seasons brought to a close.

While the heavily-backed mounts did well on the day's galloping, there were two double-figure prizes, the kind the racegoers like to see, placed on the board on the inside of the track.

Top honors for the best return went to Chateleine, six-year-old mare owned by Mrs. J. McEwen, who scored an easy win in the sixth race over an even mile and paid \$20.30 for a \$2 ticket on her nose. Overlooked by the wise ones, she was looked to the starting gates at a little better than 9 to 1, and ran a good race. Assuming the lead when Tommy Doyle, the pacemaker, tired, Chateleine went out on top and was never in danger.

### RED LADY WINS

A double-figure win price was posted on the board as early as the first sprint when Red Lady, trailing the field in the early running, came with a burst of speed and won on a driving finish by taking Viola K. by half a length at the wire. Lady Marcus was third, just a few whiskers behind the place horse. Red Lady returned \$12.90 straight, \$6.00 place and \$4.00 show.

Big Jake, locally owned thoroughbred, paid the only show double-figure price when she slipped home in third place in the final gallop of a mile and one-sixteenth, paid \$10.25 for a \$2.00 show ticket.

Jack Ellsworth, with Whittier in the saddle, topped the second race, taking the decision from Hot Shot by a length. Honeythistle, the favorite, finished in the show slot.

Ben Wiggins gave the favorites their first victory of the day when he took the fourth race with a head decision over Cisco Kid. Ilston Whittier was third.

Jockey Dubois brought Spartan Beauty, Leo Bancroft's filly, down in front in the fifth gallop, and stretch drive with Ladyfay and Happony. The Bancroft filly and Happony carried most of the betting, with the latter being the favorite.

**EASY VICTORY**  
Moving to the front after passing the stand for the first time, Flying Atom won the final gallop without being pressed. Made the favorite by the punters, the Michael Eaton horse, with Tim Sena in the saddle, scored an easy victory. Anacapi was second and Big Jake third.

The daily double Jack Ellsworth to Triassic, paid \$29.80.  
The one-two in the fifth race, Spartan Beauty and Ladyfay, returned \$30.95, while in the seventh event, Flying Atom and Anacapi paid \$13.45 for a sure bet.

Five short races and two longer events are carded today, with the Malahat Handicap over an even mile as the feature. First post time is 2:15 o'clock and good fields are assured for each gallop.

**FIRST RACE—Claiming:** Western Canada-bred, three-year-olds and up; six furlongs and thirty yards.  
(3845) Adea (A) 113  
Lady Goldstream 113  
3863 Queen Avondale 112  
Edison 113  
3868 Happony 102  
(3815) Maymini 110  
3850 Bonilla 102  
3841 Duke Pohl (A) 113  
(A) H. M. Fullerton entry.

## ARSENAL WILL FACE CITY IN MAIN FIXTURE

Gunners Face Stiff Opposition Tomorrow With Manchester Eleven

LONDON, Sept. 19. — With two victories in six starts, Arsenal will have to pep up its team if it is to capture the English Football League championship for the fourth successive season and to create a record.

The colorful gunners dropped a point at Leeds on Wednesday and are faced with a tough proposition at Highbury, Saturday, when Manchester City provides the opposition.

Back on the top of the heap, Huddersfield Town will go for the points at Everton, but the coffee-makers can be depended upon to provide stiff opposition. Derby County, hot contenders for leadership after a miserable start, entertain the second-place Middlesbrough outfit and there will be little to choose between the Sunderland and Blackburn Rovers teams which meet at Roker Park.

Feature of Second Division play is the struggle between Manchester United and Tottenham Hotspurs on the former's ground. The United is in second place in the table, one point behind Southampton, while the Londoners are in fifth position.

**INJURIES WORRY SPIES**  
Injuries to players is again worrying Hotspurs' directors. At present a number of youngsters are being given an opportunity, but the injured players are making steady progress and will be called on shortly.

Reading, leader in the Southern Section of the Third Division, plays at Bournemouth. The seagulls, one of four clubs tied for second place in the standing, two points behind Reading, are quite likely to lower their opponents' colors. Tranmere Rovers will probably add to its margin at the top of the Northern Section with a victory over Hartlepool United. The leaders are playing at home.

# GIANTS FALL BACK IN PENNANT CHASE

## RANGERS FACE CELTIC SQUAD

Great Battle Expected Tomorrow When Top Teams Meet in Scotland

GLASGOW, Sept. 19 (AP).—Usually regarded as more than stiff opposition to other clubs in the Scottish League, First Division, Clyde has

yet to win its first game of the 1935-36 soccer campaign. The Shipbuilders have played eight games so far and is the only team of the twenty outfits showing a goose-egg in the win column. They have lost six and drawn two. The team lost a 4-1 decision to the famous amateur club, Queen's Park, during the week, and it is a case of do-or-die Saturday when Partick Thistle visits Shawfield Park. Perhaps the battle that will hold the spotlight on Saturday is the Rangers-Celtic affair. Rangers are leading the field with fourteen points and Celtic, with one less, is should hang up its sixth victory in the runner-up position with seven points. St. Mirren is a way to the third place, with five points. Aberdeen, the game will be staged, Dundee United, in sixth position.

## New Yorkers Lose To Chicago Squad; Cards Triumph, 9-1

Terry's Crew Practically Out of Race for National League Flag — Dizzy Dean Scores Twenty-Seventh Victory Over Dodgers — Tigers' Lead Over Yankees Cut by Boston

NEW YORK, Sept. 19 (AP).—The Giants sank a game deeper into the mire of third place today as they were trimmed, 5-1, by the league-leading Cubs, who swept their four-game "crucial" series and ran their winning streak to sixteen consecutive triumphs.

The defeat left New York seven and a half games behind the Cubs, who need only four more victories to count the Giants definitely out. The second-place Cards, who have ten games to go against Chicago's seven, refused to be shaken off. They remained two and a half games behind the Cubs as they routed Brooklyn, 9-1, behind Dizzy Dean.

The Tigers postponed the business of clinching the American League flag a little longer when they dropped a 4-1 decision to the Red Sox. They still need only two games to win.

The standing of the contending clubs in each league follows:

**NATIONAL LEAGUE**  
CHICAGO, Sept. 19 (AP).—Unstoppable even by the southpaw shots of the great Carl Hubbell, the Chicago Cubs rolled onward and upward today to a "grand slam" over the East by crushing the New York Giants, 5-1, for their sixteenth straight conquest.

No sooner had the uproarious throng of 30,237 spectators settled in their seats than the men of Grimm, who haven't been stopped since the second game of Labor Day's double-header against Cincinnati, arose to smash the offerings of Hubbell for two runs that sealed the victory before a single batsman had been retired.

They added their other markers in the sixth, seventh and eighth innings, but they didn't need them. As "General" Bill Lee throttled the Giants' offense so effectively that they didn't get a single hit until Manager Hubbell Terry topped one in front of the plate in the fourth and beat it out. Lee surrendered only six hits, three of them scratch infield safeties.

Not since 1916, when the Giants established an all-time record of winning twenty-six games in succession and added a seventeen-game winning streak, has any National League club run up such a streak as the Cubs have in turning back the Eastern clubs in successive four-game series. The four defeats sent the Giants seven and a half games behind the Cubs. R. H. E. New York..... 1 6 0 Chicago..... 5 13 1 Batteries—Hubbell, Stout and Mancuso; Lee and Hartnett.

**Dizzy Does Trick**

ST. LOUIS, Sept. 19 (AP).—The Cardinals called on the willing Dizzy Dean today to hold their winning pace against Brooklyn, then pounded out a 9-1 decision in their final game with the Dodgers. The victory enabled the Cards to hold their place two and a half games behind the fast-stepping Chicago Cubs and increase their margin over New York's third-place Giants to five games.

Dean did all that was required of him and a little more when he held the Dodgers to six hits and struck out nine of them to hang up his twenty-seventh victory of the season. After the fourth inning such flinging wasn't needed as the Cards piled three hits on top of a Dodger error to take a 3-1 lead in the fourth and added four more tallies in a fifth-inning burst. Jim Collins topped off the attack with his twenty-second homer in the sixth.

ADMISSION 55¢  
Ladies and Gentlemen  
COLWOOD PARK ASSOCIATION, LTD.

**Great Double Play**  
PITTSBURGH, Sept. 19 (AP).—A thrilling double play, started by Outfielder Woody Jensen, that cut off the tying run at the plate, was the final scene Pittsburgh fans had of their 1935 team at home, as the Pirates beat Boston, 7-6, today.

R. H. E. Boston..... 6 10 2 Pittsburgh..... 7 10 1 Batteries—Craghead and Spohrer; Birkofer, M. Brown, Hoyt and Grace.

**Reds Hold Place**  
CINCINNATI, Sept. 19 (AP).—The Cincinnati Reds clung to fifth place in the National League today as Paul Derringer won his twentieth victory, setting down the Phillies, 6-1.

R. H. E. Philadelphia..... 1 4 0 Cincinnati..... 6 10 1 Batteries—Mulcahy and Todd; Derringer and Lombardi.

**AMERICAN LEAGUE**  
BOSTON, Sept. 19 (AP).—Roy Johnson and Babe Dahlgren got together in a late batting attack today to break up a pitching duel between a pair of veterans, Lefty Grove and Al Crowder, and gave the Red Sox a 4-1 victory over the league-leading Detroit Tigers.

The loss reduced Detroit's lead to seven and one-half games over the idle New York Yankees, but the Tigers ended their final Eastern tour needing only two victories in their remaining nine games to clinch the pennant.

R. H. E. Detroit..... 1 8 1 Boston..... 4 9 1 Batteries—Crowder and Hayworth; Grove and R. Ferrell.

**INTERNATIONAL LEAGUE**  
SYRACUSE, N.Y., Sept. 19 (AP).—Montreal halted the Chiefs' mad dash through the International League play-offs, by gaining a 5-2 triumph over Syracuse before 9,000 fans here today.

Chad Kimsey held the Chiefs to six hits to hand the home club its first defeat in fourteen starts and snap its play-off string which had reeled six in a row. Montreal now trails the Chiefs in the final series for the Governor's Cup, two games to one.

R. H. E. Syracuse..... 2 6 0 Montreal..... 5 10 1 Batteries—Kimsey and Tate; Grabowski, Hockette, Coombs and Savino.

**COAST LEAGUE**  
SACRAMENTO, Sept. 19 (AP).—Sacramento defeated a make-shift Los Angeles line-up, 6-3, three today for the second Solon win in three starts. Manager Jack Leif-

**Babe Risko Lifts Fight by Beating Yarosz With Ease**

Syracuse Boxer Dethrones Middleweight Titleholder in Fifteen-Round Bout in Pittsburgh — Captures Unanimous Decision of Judges — Yarosz Floored Twice During Mix

PITTSBURGH, Sept. 19 (AP).—Babe Risko, Syracuse, N.Y., ex-sailor, won the middleweight boxing championship tonight by defeating Teddy Yarosz, of Monaca, Pa., in a fifteen-round bout here.

The Syracuse slugger received the unanimous decision of the judges after flooring the champion twice and pouncing him steadily throughout the fight. Yarosz weighed 158-1-2, Risko 158-1-4.

## LARGE CROWD TO SEE BOUT

Promoter Jacobs Expects One of Biggest Crowds at Baer-Louis Mix

NEW YORK, Sept. 19 (AP).—All records for heavyweight fight attendance in New York, boom-time or otherwise, will be broken if, as now seems likely, Joe Louis and Max Baer fight before a capacity house in the Yankee Stadium next Tuesday night.

Promoter Mike Jacobs, of the Twentieth Century Sporting Club, declared today that a complete sell-out will mean an attendance of nearly 100,000 and gate receipts approximately \$1,200,000, including the taxes.

"We've got \$700,000 that we can count right now," said Jacobs. "The way the advance sale is going, it looks like capacity."

Originally the promoter's blue-prints called for "tops" of 80,000 tickets and approximately \$700,000 in gate receipts. Ten thousand field seats have been added and there will be standing room for close to 10,000 more.

The greatest previous attendance for a fight in New York was 82,000 for the Firpo-Dempsey heavyweight championship of 1923.

**Play to Deadlock**  
BELFAST, Sept. 19 (AP).—Derry and Linfield drew, 1-1, in an Irish day.

**Lawn Bowling**

In the final of the Scotch doubles played at the Victoria Lawn Bowling Club greens at Beacon Hill Park, J. Morton and W. J. MacAllan defeated H. A. Stewart and W. Armstrong, 26-12. The event has been very popular and has been the means of bringing together more players under the arc lights than ever before in the history of the club.

This evening at the Burnside greens team skipped by F. W. Davey and J. W. Mercer will play in the Som Fu Trophy competition.

A special meeting has been called for tomorrow at 2:15 o'clock at the Beacon Hill clubhouse to consider the question of finances. Members are requested to make a special effort to be present.

# FINANCE - COMMERCE - MARKETS

## Security Prices Turn Softer at New York Mart

NEW YORK, Sept. 19 (AP)—Share prices skidded sharply lower in the stock market today. Many active leaders declined 1 to 2 points, while a few lost 4 to 6.

Most brokerage concerns attributed the back-sliding to a combination of uneasiness over the strained international situation in Europe and profit-taking as a result of the recent market advance to "carry through."

Stocks failed to gain any stimulus from an active and sharply improved wheat market.

As gauged by the Associated Press average of sixty stocks, market decline was 1.2 points at 49.5. The thirty industrials led the recession with a dip of 1.6 points, while the fifteen rails showed relatively the best resistance with a loss of 5 of a point.

Stock exchange turnover tended to accelerate at the market decline, especially around midday, when the stock tape lagged several minutes behind transactions on the trading floor. The day's business aggregated 1,928,160 shares.

Some of the active share market losers, down from 1 to around 3 points, included American Telephone at 133, General Motors at 45.18 and United States Steel at 40.12 and Union Pacific at 100.12.

Listed bonds were inclined to follow stocks in today's market dealings.

Steadier tone displayed by United States Government securities helped sentiment. In the foreign section Italian Government 7's were off 13.4 points at 59.12.

## TORONTO MINES CONTINUE WEAK

Little Long Lac and Siscoe Gain as Other Golds Recede Further

TORONTO, Sept. 19 (AP)—Stocks slumped on the mining section of the Toronto Stock Exchange today in moderate trading. While Pioneer fell to 9.60 from yesterday's close of 10.25, Little Long Lac scored a 2.00 point gain to close at 5.70. Teck Hughes was a point higher, while Wright-Hargreaves and Dome lost fractions, and Hollinger, selling ex-dividend, fell to 13.45 for a loss of 30.

Siscoe jumped up 7 to 2.70, but other junior issues were easier.

Bar silver gained 1.4 at 62.14, but Eldorado lost 4 and Nipissing 5. Falconbridge had a 15-point drop to 4.25. Sudbury Basin was down 2 and Noranda 1. Oils were quiet.

WHEAT GAINS THREE CENTS

Heavy Buying for Export Sends Values Soaring at Winnipeg Market

WINNIPEG, Sept. 19 (AP)—Possibility of a large export reduction in Argentina sent hand-in-hand with free foreign buying of Canada's wheat today, to hoist prices 2 3/8 to 3 cents a bushel on the Winnipeg Grain Exchange.

Bringing the total exports in less than two weeks to close at 11,000,000 bushels, more than 2,000,000 bushels of wheat were sold abroad today, evoking buying that sent futures up the full limit allowed in one day's trading.

October and December options eased fractionally from their best prices to close at, respectively, 95 3/8 and 95 cents, but the May delivery month retained all of its advance to finish at 99 3/4 cents.

Unrelieved drought in Argentina, with crops reported rapidly deteriorating, sent prices 2 1/8 higher at Liverpool. Buenos Aires scored a 1 1/8 cent a bushel at the start, but the gain was shaved later. Chicago advanced 2 3/8 cents.

Cash grains spreads on some grades improved as much as a cent. Sales of oats and barley for export, envisioned cash coarse grains. Flax was up 5 cents a bushel at \$1.44.

## FLIGHT...

by W. D. TIPTON  
and J. H. MASON

THE reason why E. Hamilton Lee enjoys the distinction of having more hours in the air than any other pilot in the U.S.A. is probably because he assisted his hankering to be a birdman while he was in short pants. Lee, whose log book now shows nearly 16,000 hours in the air, saw his first airplane while he was riding down a Minneapolis street on a bicycle. The plane was being hauled to a nearby field which was to be used as an airport by a barnstorming pilot. He volunteered his services as an assistant, and his interest and hard work won him flying lessons. By 1913 he was a qualified pilot.

Barnstorming occupied his attention until the war, when he enlisted in the Army Air Corps to become an instructor because of his flying experience. After the war he joined the air mail, entering the service in 1918. He was flying the transcontinental route in 1927 when the Postoffice Department turned all its routes over to private operation, at which time Lee joined the United Airline organization, with whom he has been constantly associated ever since.

## How It Started

By JEAN NEWTON

## WHY IS THURSDAY SO CALLED

Literally, Thursday is Thor's day or the day of thunder.

This relationship is clearly apparent in the Danish cognate Donnerstag and the German Donnerstag.

Thor, after whom Thursday is named, was the Scandinavian god who had charge of storms and their concomitants. He was known as The Thunderer. He was quite popular, especially with seamen, and great numbers of children were named for him.

As is the case with so many other mythological heroes, great feats of strength and other super-human abilities were attributed to Thor.

His one failure, however, has become a classic. He tried to drain dry a drinking horn, the far end of which was in the sea.

A fellow the other day stopped at a little town near the border to put gas in his car. While a grandfatherly gentleman went about filling the tank a wrinkled old lady made a sudden appearance at the filling station window and called to the motorist:

"Onions an' pickles?" she inquired.

"No," said the man, "just gas, thank you."

"I mean onions an' pickles on your hamburger?"

He explained that he hadn't ordered a hamburger.

"We give a hamburger with every five gallons o' gas," the old lady announced, "an' it's sure lucky you come when you did. This meat's about ready to spile."
